By All Means Resuscitate A Memoir:

By All Means, Resuscitate David L. Chamovitz, 2002 So many times have I worked on a dying patient frantically trying to breathe life into a lifeless body And many times have I questioned myself Why don t you give up The title of my memoir *By All Means Resuscitate* says no matter the consequences or the effort required keep my life going with the caveat that my intellectual capacity not be impaired Though my life has not always been happy it has been fascinating Some of the high points of my story are the closing of a circle beginning with the journey of my grandfather from Europe and my parents to the U S and my eventual aliyah to Israel my Harvard Medical School education as the fourth brother in the family to be an M D my evolution from a double talking physician hiding fatal cancer diagnoses from patients to a proponent of assisted suicide to the terminally ill with a deep bow of humility to the occasional terminal prognosis that mysteriously reverses itself my courtship of my wife by playing duets she on the violin I on the cello my delight in my family two daughters one now an M D and a son now a micro biologist and my anguish in not being able to save my other beautiful daughter a manic depressive from suicide my encouragement of and fear about my wife s decision to heal her niece by donating a kidney to her my fights against anti Semitism and segregation in my small Pennsylvania town the efforts of my wife and myself to save Russian Jews our adaptation to life in Israel including my often frustrating sometimes comic struggles to learn Hebrew and our lives and those of our children and grandchildren during the Gulf War and beyond
