The Qur'an by the Light of the Gospel Patrick John, 2018-02-23 If a Muslim came to a Christian and asked him to explain his belief in Jesus Christ how would a Christian respond If an Imam asked a Christian Pastor to bring evidence of the Gospels authority would a Pastor welcome the opportunity And if any Muslim would ask a Christian to judge between their respective beliefs would a Christian know how to do it These questions presupposed an occurrence that most Christians will never encounter because most Muslims do not ask Yet the Quran has been asking these exact same questions of us for the last thirteen hundred years Should we ignore the Quran for another Millennia It is time to answer On a visit to my local mosque I asked the Imam if I could pray with him Before I started to pray the Imam quickly interjected You are not going to pray to Mary are you That there are those who pray to Mary and worship her is maybe understandable but it is not Biblical Christians are told in the Quran to desist using the term Trinity But the word Trinity is not found in the Bible I believe as Abraham believed that there is a God that can be seen and a God that we do not see BUT they are one and the same Allah is not a name but the Arabic word for God even Christians in the Middle East use the word Al Maidah 47 Let the People of the Gospel judge by what Allah has revealed in it Isaiah 43 10 You are my witness declares the LORD and my servant whom I have chosen that you may know and believe me and understand that I am he Here we hopefully put right many misconceptions and bring what God has revealed
