## **By Way Of Deception The Making And Unmaking Of A Mossad Officer:**

**By Way of Deception** Victor Ostrovsky, Claire Hoy, 1991-06-15 The first time the Mossad came calling they wanted Victor Ostrovsky for their assassination unit the kidon He turned them down The next time he agreed to enter the grueling three year training program to become a katsa or intelligence case officer for the legendary Israeli spy organization By Way of Deception is the explosive chronicle of his experiences in the Mossad and of two decades of their frightening and often ruthless covert activities around the world Penetrating far deeper than the bestselling Every Spy a Prince it is an insider s account of Mossad tactics and exploits In chilling detail Ostrovsky asserts that the Mossad refused to share critical knowledge of a planned suicide mission in Beirut leading to the death of hundreds of U S Marines and French troops He tells how they tracked Yasser Arafat by recruiting his driver and bodyguard how they withheld information on the whereabouts of American hostages paving the way for the Iran Contra scandal and how their intervention into secret UN negotiations led to the sudden resignation of ambassador Andrew Young and the downfall of his career By Way of Deception describes the shocking scope and depth of the Mossad s influence disclosing how Jewish communities in the U S Europe and South America are armed and trained by the organization in secret self defense units and how Mossad agents facilitate the drug trade in order to pay the enormous costs of its far flung clandestine operation And it portrays a network that has grown dangerously out of control as internal squabbles have led to the escape of terrorists and the pursuit of policies completely at odds with the interests of the state of Israel This document is possibly the most important and controversial book of its kind since Spycatcher     Literature Suppressed on Political Grounds Nicholas J. Karolides, Margaret Bald, 2014-05-14 Literature Suppressed on Religious Grounds Revised Edition profiles the censorship of many such essential works of literature The entries new to this edition include extensive coverage of the Harry Potter series which has been frequently banned in the United States on the grounds that it promotes witchcraft as well as entries on two popular textbook series The Witches by Roald Dahl Women Without Men A Novel of Modern Iran and more Also included are updates to such entries as The Satanic Verses by Salman Rushdie and On the Origin of Species by Charles Darwin     **Professional Journal of the United States Army** ,1991     *Military Review* ,1991     By Way of Deception Victor Ostrovsky, Claire Hoy, 2002     The Code for Global Ethics Rodrigue Tremblay, 2010-12 Humanists have long contended that morality is a strictly human concern and should be independent of religious creeds and dogma This principle was clearly articulated in the two Humanist Manifestos issued in the mid twentieth century and in Humanist Manifesto 2000 which appeared at the beginning of the twenty first century Now this code for global ethics further elaborates ten humanist principles designed for a world community that is growing ever closer together In the face of the obvious challenges to international stability from nuclear proliferation environmental degradation economic turmoil and reactionary and sometimes violent religious movements a code based on the natural dignity and inherent worth of all human beings is needed more than ever In separate chapters the author delves into the

issues surrounding these ten humanist principles preserving individual dignity and equality respecting life and property tolerance sharing preventing domination of others eliminating superstition conserving the natural environment resolving differences cooperatively without resort to violence or war political and economic democracy and providing for universal education This forward looking optimistic and eminently reasonable discussion of humanist ideals makes an important contribution to laying the foundations for a just and peaceable global community By Way of Deception Victor

Ostrovsky,1991 **Iran-Iraq War in the Air, 1980-1988** Tom Cooper,Farzad Bishop,2002 This book focuses on the role of the air power in the Iran Iraq War of 1980 1988 The authors made full use of extensive research eyewitness accounts interviews with dozens of people directly involved as well as recently declassified documents from around the world which are published here for the first time describes and analyzes both the development of the Iranian and the Iraqi air forces their involvement in combat operations while simultaneously discussing their organization and capabilities and detailing their equipment to detail Edited from publisher s web site Fifty Years of Israel Donald Neff,1998 *The Barnes Review* ,1995
