By Canoe and Dog-Train Egerton Ryerson Young, 2015-07-16 Excerpt from *By Canoe and Dog Train* Among the Cree and Salteaux Indians I felt that he could do for us a work that needed to be done and that few could do in renewing the popular interest in foreign missionary enterprise I had hoped that the Missionary Society might have utilised him for deputation work and have sent him through the country on this errand This hope however has not been fulfilled But not the less service has been rendered by Mr And Mrs Young as they have gone from place to place interesting and thrilling tens of thousands by the records of their great success and of God's blessing amongst the Indians About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
