By Furies Possessed:

By Furies Possessed Ted White, 2012-12-21 Tad Dameron's assignment was routine enough: escort Bjonn the alien from Farhome on the final leg of his journey to Earth and learn what he could about the alien's culture. But from the beginning Dameron realized that there was something strange and ominous about Bjonn: something in his eyes and the way he spoke, even the way he helped himself that forewarned of danger. Then Bjonn was gone, slipped away to mingle with Earth's teeming millions and with him the beautiful Dian, Dameron's woman. When next he surfaced, Bjonn was heading a new religion, one which threatened to subvert all humanity. Dameron found himself embarked upon the most dangerous, most isolating job of his career in an attempt to halt the ALIEN MENACE.

and Fantasy Literature, Vol 1 R. Reginald, 2010-09-01 *Science Fiction and Fantasy Literature A Checklist 1700-1974* Volume one of Two contains an Author Index, Title Index, Series Index, Awards Index, and the Ace and Belmont Doubles Index.

The Frankenstein Notebooks Charles Robinson, 2021-03-24 Mary Shelley's *Frankenstein* is arguably the best known work of the English Romantic period. First published in 1996, this edition of *The Frankenstein Notebooks* contains not only facsimiles and transcriptions of all of the surviving manuscripts related to the novel and a corrected critical text of *Frankenstein* or *The Modern Prometheus*, but also a full range of factual information drawn from Shelley's and William Godwin's letters and journals, from newspaper ads of the day and from other available scholarship about the conception, gestation, and birth of Mary Shelley's monster. This two-volume set contains a wealth of information vital to the creation and reception of *Frankenstein*. It will enable scholars, critics, and students to see for themselves the exact extent of P. B. Shelley's editorial contributions and trace the artistic and ideological development of the novel at various stages in its formation. It will also enable the reader to explore the text itself to test and evaluate their own theses. Part two contains the draft notebook B, which was written between December 1816 and April 1817, and the fair copy notebooks which were compiled between April and May 1817. This set will be of keen interest to those studying *Frankenstein*, the Romantics, and 19th-century literature.
