## **Crackup At The Race Riots:**

**A Crack-up at the Race Riots** Harmony Korine, 1998 The original Ritalin kid Harmony Korine burst on the scene with *Kids* a film so gritty and unsettling in its depiction of teen life that it was slapped with an NC 17 rating and banned in some theaters across the country In some ways the media frenzy over the rating overshadowed the harrowing portrait of teenagers destroying their lives and the then twenty one year old screenwriter who created them Whether you see the movie as a masterpiece or as sensationalism wrote Lynn Hirshberg the movie is relentless and brilliant and extremely disturbing It is powerful both steel eyed and sexy horrifying and captivating Now in this first book of fictional set pieces Korine captures the fragmented moments of a life observed through the demented lens of media TV and teen obsession Korine reinvents the novel in this highly experimental montage of scenes that seem both real and surreal at the same time With a filmmaker's eye and a prankster's glee this bizarre collection of jokes half remembered scenes dialogue fragments movie ideas and suicide notes is an episodic epigrammatic lovesong to the world of images Korine is the voice of his media savvy generation and *A Crack Up at the Race Riots* is the satiric lovechild of his dark imagination **Harmony Korine** Eric Kohn, 2014-11-27

*Harmony Korine Interviews* tracks filmmaker Korine's stunning rise fall and rise again through his own evolving voice Bringing together interviews collected from over two decades this unique chronicle includes rare interviews unavailable in print for years and an extensive new conversation recorded at the filmmaker's home in Nashville After more than twenty years Harmony Korine b 1973 remains one of the most prominent and yet subversive filmmakers in America Ever since his entry into the independent film scene as the irrepressible prodigy who wrote the screenplay for Larry Clark's *Kids* in 1992 Korine has retained his stature as the ultimate cinematic provocateur He both intelligently observes modern social milieus and simultaneously thumbs his nose at them Now approaching middle age and more influential than ever Korine remains intentionally sensationalistic and ceaselessly creative He parlayed the success of *Kids* into directing the dreamy portrait of neglect *Gummo* two years later With his audacious 1999 digital video drama *Julien Donkey Boy* Korine continued to demonstrate a penchant for fusing experimental subversive interests with lyrical narrative techniques Surviving an early career burnout he resurfaced with a trifecta of insightful works that built on his earlier aesthetic leanings a surprisingly delicate rumination on identity *Mister Lonely* a gritty quasi diary film *Trash Humpers* and a blistering portrait of American hedonism *Spring Breakers* which yielded significant commercial success Throughout his career he has also continued as a mixed media artist whose fields included music videos paintings photography publishing songwriting and performance art
