**The Virgin Mary and Theology of the Body** Donald H. Calloway, M.I.C., 2014-06-25 The Church's Marian beliefs have constantly shed light on other teachings and the Theology of the Body is no exception In this compilation of essays some of the world's most foremost Mariologists and experts on the Theology of the Body share their insights on how Mary illuminates the message of the Theology of the Body in a profound way As the Mother of God Mary provided Jesus with His body a body that would be offered on the cross for our redemption She bore witness to His bodily resurrection and ascension and she herself was assumed bodily into heaven Through an understanding of Mary's role in salvation history we are able to see more clearly our personal roles in the Christian life In this book you will learn about The nuptial meaning of the body in the marriage of Joseph and Mary The Immaculate Conception and the human person The significance of Mary as virgin and mother The Virgin Mary and the culture of life The image of God in the image of Mary as model Christian

**On Christian Priesthood** Robin Ward, 2011-10-03 The ideas which have defined and informed Christian priesthood in the past are now called into question more than at any time since the Reformation Is there such a thing as a Christian cult Is Christian worship in any other way sacrificial How can ordained Christians be seen as part of a ministerial priesthood distinct from other believers What does it mean to teach with authority within and on behalf of the Church When Michael Ramsey wrote *The Christian Priest* Today he could assume that the priest would be seen as a man of the Eucharist a confessor an intercessor and an exponent of the Church's teaching In the contemporary Church none of these things can be taken for granted in the same way This book seeks to re-pristinise the doctrine of ministerial priesthood by setting it within the context of fundamental moral theology to recall readers from all Christian traditions to the fundamental soundness of the concept of ministerial priesthood and its importance in contemporary ecumenical dialogue liturgical reform and pastoral planning
