Craic A Journey Through Ireland:

The Craic Mark McCrum,1999-11-01 As a culture the English are familiar with images of Ireland and Irishness From the romantic to the gritty from Dublin as a cheap and cheerful weekend getaway to the Irish theme pubs on almost every English high street no one can escape the fact that Irish culture is perhaps more popular than ever Mark McCrum explores the heart of contemporary Ireland gaining an impression of its culture and politics through meeting its people Starting in Dublin and roaming south and around the coast before turning northwards and completing his trek at the ruin of the old McCrum family seat on the way attending the Puck Fair going to a beach where bones from victims of the Potato Famine lie unburied meeting the Travelling Folk all the while experiencing the mix of good conversation good company a little Guinness and a lot of fun colloquially known as the Craic as he comes to an understanding of the country and its inhabitants

Going Dutch in Beijing Mark McCrum,2025-06-25 What to do and what not to do when traveling almost anywhere an entertainment for the armchair or the intrepid traveler Why shouldn't you offer to pay for your share of the meal in China Or use the thumbs up sign to mean that's excellent in Sardinia Because of course despite the ease with which we can now communicate with and visit one another they still do things differently over there In China your host will lose face if you don't let him pick up the tab In Sardinia a raised thumb means literally Sit on this Going Dutch in Beijing offers a lighthearted and informative guide to everything from first meeting to last rites Subjects covered include the opening contact between strangers greetings gestures handshakes and getting names right as well as more complex traditions and how to behave if you decide to stick around for good Whether you are heading abroad or staying at home Going Dutch in Beijing is a delightful and indispensable handbook designed to ensure that your sense of the world is informed and your travel is happy

The Rough Guide to Ireland Margaret Greenwood,Mark Connolly,2003 Including detailed guidance to exploring the countryside and historic sites this fully revised guide offers a complete picture of the beautiful island of Ireland north and south of color photos

The Irish Protestant Churches in the Twentieth Century Alan Megahey,2000-08-17 This book is unique in recording the history of all the Protestant churches in Ireland in the twentieth century though with particular focus on the two largest the Presbyterian and the Church of Ireland It examines the changes and chances in those churches during a turbulent period in Irish history relating their development to the wider social and political context Their structures and beliefs are examined and their influence both in Ireland and overseas is assessed

Ireland ,2007

Ireland's Whiskey Guide Kate Amber,2019-05-29 The little book about whiskey Ireland's Whiskey Guide is a comprehensive travel and whiskey guide Ireland's Whiskey Guide is a new guide to the Whiskey Distilleries of Ireland This Whiskey Book is a part travel guide and part historical insight This comprehensive Travel and Whiskey guide provides lively facts and anecdotes about the history of Irish Whiskey for beginners as well as some quirky facts about the island of Ireland as seen through the eyes of the author Through their journey von Kate and Shem the driver in the Emerald Isle she goes to the local roots of this whiskey rebirthing

and speaks with many locals that have lived through more difficult times All the exciting and comedic details of her journey you can read about later Irish whiskey used to be the most popular whiskey in the world although the long decline since the late 19th century has severely damaged the industry It is so huge that even in Ireland which had more than 30 wineries in the 1890s a century later this number is only three Irish whiskey has become popular since the end of the 20th century and has been the fastest growing whiskey in the world every year since 1990 As the export volume grows at a rate of more than 15% per year the existing wineries have been expanded and some of them have been built As of June 2019 there are 25 wineries in operation in Ireland and another 24 are planned or under development However the service life of many of these whiskies is not sufficient to make locally produced whiskies age to the point where they can be sold There are three parts to the book The history of Irish whiskey while exciting has been somewhat forgotten due to this the first part of the book will give brief summaries of Irish whiskeys and their ups and downs and why Irish Whiskey is now moving into a glorious rebirthing age with distilleries springing up all over the island of Ireland The second part describes the processes in how whiskey is and more so on how Irish whiskey differs from all the other types of whisky especially Jack Daniels whiskey Through the second part the underlying motive of all good things take time especially resonating with the survival of the Irish Whiskey trade The third part has a travel focus and is for the adventure seeker in us all who have dreamed of visiting the vast green landscapes of Ireland and for those who wish to see these historical places in person Even if the reader comes from Ireland and just has an interest in their local history this guide can provide an off the beaten track type of guidance Initially is the book published in English Craic McCrum Mark,1999-05 A journey through Ireland taking in Dublin and roaming south around the coast and north again On the way Mike McCrum gains insight into Irish politics and culture from the people He attends a Puck Fair and visits a beach where the bones from victims of the Potato Famine lie unburied

Ireland Elizabeth Bowen,Michael Ivory,2003 Whether travelling for business or pleasure your annual holiday or just a weekend take this book along with you and discover for yourself the delights of this country Includes a principal sights map practical points and lots of suggestions an illustrated introduction to the local culture and lifestyle details of selected towns and more *The British National Bibliography* Arthur James Wells,2004 Fodor's Essential Ireland 2019 Fodor's Travel Guides,2018-09-25 Written by locals Fodor s Essential Ireland is the perfect guidebook for those looking for insider tips to make the most out their visit to Dublin and Ireland Complete with detailed maps and concise descriptions this travel guide will help you plan your trip with ease Join Fodor s in exploring one of the most exciting countries in Europe Ireland may be a small island but it s packed with things to do and see and simply overflowing with natural beauty vibrant culture and ancient history From the splendor of its Georgian homes and Norman castles to its strikingly scenic landscapes lush green fields and postcard perfect villages there s majesty at every turn here Add a lively pub culture a thriving arts and music scene a reverence for the spoken word and a warm and welcoming people and you see why the Emerald Isle is one of Europe s most
