**KISS and the Ideology of the American Dream**

Kieran James, Susan P. Briggs, Bligh Grant, 2017-11-15 This book is a collective effort on the authors part to remember KISS one of the most important hard rock bands of the 1970s and 1980s Influenced by the glam rock movement which preceded its rise arguably KISS was the first major act in rock music history to present rock music as Entertainment Product firstly and music only secondarily We discuss the original democratic concept of the Fab Four Gene Paul Ace and Peter as well as Gene Simmons and Paul Stanley s subsequent American Dream ideology We go on to analyse the current version of the band in the light of the original line up and appearance We find that the KISS fan base is divided with some fans accepting Simmons current view that the four personas can be utilized by anyone chosen by the band s leadership a second group which tries to correct the alleged historical injustices committed against Frehley and Criss and a third group which is cynical about the current version of KISS but finds it fruitless to rehash old debates      **Surgery** Rajesh Nair, Ph Tan, 2013-08 Covering all

aspects of the syllabus Crash Course offers you a fast way to recap on all you need to know to get through the exams with ease Styled in an easy to follow readily accessible format each book has been prepared by senior medical students or junior doctors under faculty supervision to give you the correct level of information exactly as you need it      *KISS* Kieran

James, Susan P. Briggs, Bligh Grant, 2017-08-19 This book is a collective effort on the authors part to remember KISS one of the most important hard rock bands of the 1970s and 1980s Arguably KISS was the first major act in rock music history to present rock music as Entertainment Product firstly and music only secondarily We discuss the original democratic concept of the Fab Four Gene Paul Ace and Peter as well as Simmons and Stanley s subsequent American Dream ideology We go on to analyse the current version of the band in the light of the original line up We find that the KISS fan base is divided with some fans accepting Simmons current view that the four personas can be utilized by anyone chosen by the band s leadership a second group which tries to correct the alleged historical injustices committed against Frehley and Criss and a third group which is cynical about the current version of the band but mostly holds its peace Includes bonus 68 page Metallica book

Metallica All the Songs Benoît Clerc, 2023-11-07 This is the most in depth exploration of Metallica s songs ever written From their widely circulated demo No Life til Leather all the way to their 10th studio album Hardwired to Self Destruct Metallica have earned the title of the biggest heavy metal band on the planet Their albums including the hugely influential Master of Puppets are now considered classics of rock and metal while singles such as Enter Sandman Fade to Black and For Whom the Bell Tolls have stood the test of time Follow the epic journey of the godfathers of thrash metal song by song and see how they became one of the biggest selling bands in the world No stone is left unturned across more than 500 pages illustrated with incredible photography throughout from the inspiration behind the lyrics and melodies to the recording process and even the musicians and producers who worked on each track Uncover the stories behind the music in this truly definitive book a must have for every Metallica fan
