Crash Diet Stories:

Understanding Jill McCorkle Barbara Bennett, 2000 Understanding Jill McCorkle introduces readers to the novels and short story collections of Jill McCorkle's growing canon. Since 1984 McCorkle has written five novels and two books of short stories entering the publishing world as one reviewer noted with the literary equivalent of a rebel yell. Filling the gap of critical study on McCorkle, Barbara Bennett analyzes the widely read and admired output of this prolific southern woman writer. Bennett identifies and discusses the diverse characters, thematic concerns, and keen sense of language that distinguish McCorkle's work. Crash Diet Jill McCorkle, 2012-04-21 Here from the remarkable novelist who wrote *Ferris Beach*

Tending to Virginia July 7th and *The Cheer Leader* is Jill McCorkle's first book of short fiction. These eleven sparkling, uninhibited stories address her favorite subject: women who take matters into their own hands. McCorkle has yet again produced irrepressibly frank and funny portraits of remarkable characters. **Writing Fiction and Poetry** Sally Sullivan, 1997-12 Our meddling intellect misshapes the beauteous forms of things we murder to dissect. Wordsworth cautioned at the dawning of a new age of science and technology. It is a caution that, in addition to applying to the study of art and nature, might also apply to our investigation of the creative process, which has engaged the meddling minds of many. Of the process involved in literary creation, in particular, has fascinated many ordinary people as well as a great many psychologists and philosophers, from Plato on. Of the variety of approach and style in *Writing Fiction and Poetry* extends also to gender and experience. The book contains essays and interviews of 12 internationally known North Carolina writers. The Second Marriage Of Kunju Namboodiri And Other Classic Malayalam Stories Mini Krishnan, 2025-03-18 Kunju Namboodiri wishes to marry a second time, but fate has other plans. A man visits the mythical city of Dwaraka in the first Malayalam fantasy tale. An abandoned infant is raised as a Muslim until her royal identity is discovered. An India almost unknown to us floods the pages of this significant series of short stories sourced from the late nineteenth to the mid twentieth centuries. Ringing with the music of India's regional languages and peppered with wit and social commentary, these stories are windows to the past and its people, the everyday struggles and joys, the ties of friendship and faith, the politics of love and rejection, the intricacies of betrayal and envy, and the conflicts of class and caste, while continuing to be relevant to our present, puncturing the boundaries of time and space. How much has Indian society changed? How much of it has not?
