Shaking Hands with Love Gina Ravenswood, 2013-01-28 Can you feel the love in the room Follow it dear one you are dying These words were spoken to Nanette as she passed over to the other side Gina Ravenswood has lived her life in the pursuit of helping others understand theirs A medium by calling and trade she enjoys a complicated relationship with death and what follows When her dear friend Nannette was dying of cancer Gina was at her side That night as Nannette prepared to take her last breath her friend was there But this was not the end for these two friends it was the start of an extraordinary journey they would share to death and beyond Gina was awestruck and comforted by the soothing guidance of the angelic presence who came to lead Nannette to her new experience This is the true story of that remarkable friendship and the profound journey they shared A few years after her death Nannette reappeared to Gina and they enjoyed many colourful conversations Together Gina Nannette and the spirit guides opened up a new dimension of love and understanding Nannette was able to share some astonishing insight into what happens after we die bringing great comfort and peace to the friend she left behind on Earth If youve ever wondered what might happen in the afterlife *Shaking Hands with Love* seeks to provide an answer Ginas experiences have helped her to face death with great optimism hope and love **Love and Saint Augustine**

Hannah Arendt, 2014-12-10 The brilliant thinker who taught us about the banality of evil explores another brilliant thinker and his concept of love Hannah Arendt the author of *The Origins of Totalitarianism* and *The Human Condition* began her scholarly career with an exploration of Saint Augustine's concept of *caritas* or neighborly love written under the direction of Karl Jaspers and the influence of Martin Heidegger After her German academic life came to a halt in 1933 Arendt carried her dissertation into exile in France and years later took the same battered and stained copy to New York During the late 1950s and early 1960s as she was completing or reworking her most influential studies of political life Arendt was simultaneously annotating and revising her dissertation on Augustine amplifying its argument with terms and concepts she was using in her political works of the same period The dissertation became a bridge over which Arendt traveled back and forth between 1929 Heidelberg and 1960s New York carrying with her Augustine's question about the possibility of social life in an age of rapid political and moral change In *Love and Saint Augustine* political science professor Joanna Vecchiarelli Scott and philosophy professor Judith Chelius Stark make this important early work accessible for the first time Here is a completely corrected and revised English translation that incorporates Arendt's own substantial revisions and provides additional notes based on letters contracts and other documents as well as the recollections of Arendt's friends and colleagues during her later years Both the dissertation and the accompanying essay are accessible to informed lay readers Scott and Stark's conclusions about the cohesive evolution of Arendt's thought are compelling but leave room for continuing discussion Library Journal A revelation Kirkus Reviews [The Ride of Your Life](#) Tina Elliott Boyd, 2014-12-19 *The Ride of Your Life* embraces a highly visual kinetic and common image of a front wheel of a bicycle as a tool the front wheel concept The concept helps readers

come to understand the spiritual journey to give a beautiful and joyful ride no matter what has happened in your life Building upon a life changing personal event Tina brings the details of riding a bike into conversation with the discipline of becoming more faithful on her ride by growing her relationship with God amazon com
