What Happens Next Marc Norman, 2008-09-30 Fascinating Los Angeles Times A brilliant wildly entertaining history of Hollywood from the screenwriters perspective In this truly fresh take on the movies veteran Oscar winning screenwriter Marc Norman gives us the first comprehensive history of the men and women who penned some of the greatest movies of all time Impeccably researched erudite and filled with unforgettable stories of the stars and scribes amateurs and auteurs directors producers and legendary moguls What Happens Next is a unique and engrossing narrative of the quintessential art form of our time

Intimate Lies Robert Westbrook, *Intimate Lies Her Son s Story* F Scott Fitzgerald the brilliant author of *The Great Gatsby* and *Tender is the Night* was a man haunted by failure to live up to his own early successes In 1937 desperate for money nearly broken in spirit he headed west for work as a Hollywood screenwriter and one last shot at staying sober There living in Hollywood s legendary hotel The Garden of Allah Fitzgerald met the beautiful young gossip columnist Sheilah Graham whose elaborate pose as a British aristocrat masked the true identity that haunted her all her life Before her death in 1988 Graham bequeathed a Pandoras box of papers diaries notes and correspondence to her son acclaimed novelist Robert Westbrook with explicit instructions to write the full story of her life with Fitzgerald which she herself could not tell The result is *Intimate Lies* the dramatic tale of an unusual love affair the turbulent romance between a great author at the end of his life and a false young woman escaping her past set against the glittering ferment of 1930s Hollywood I was prepared to suffer any ordeal rather than reveal the truth about myself Sheilah Graham wrote in 1958 Running from a childhood in the squalor of London s East End desperate to hide her lack of education Graham reinvented herself out of sheer imagination spinning a web of daydreams and lies to those around her But she was unable to conceal her true identity from Fitzgerald for long he was fascinated by her mysterious past and quickly uncovered her secrets Despite pressures of money and dwindling time Fitzgerald set out to play Pygmalion creating for Sheilah a fanciful College of One Later he made her the heroine of his final novel *The Last Tycoon* Sheilah in turn instinctively understood Fitzgerald s demons and cared for him with a survivor s strength as he alternated between wildly spectacular drunken episodes and quiet doomed gallantry Together they sought refuge in Hollywood among such friends as Dorothy Parker Robert Benchley John O Hara and Ogden Nash With *Intimate Lies* Robert Westbrook brings a personal perspective and a sure writer s hand to this mesmerizing memoir an unforgettable love story of unrelenting power and interest Praise for *Intimate Lies* The mood should be two people free He has an overwhelming urge toward the girl who promises to give life back to him she is the heart of hope and freshness F Scott Fitzgerald notes for *The Last Tycoon* I was prepared to suffer any ordeal rather than reveal the truth about myself I thought he has chosen me I want him to be proud of the woman he has chosen He must never feel that his girl is in reality a grubby little waif who has gotten to him by a series of deceptions Sheilah Graham writing in 1958 *The Cambridge Companion to F. Scott Fitzgerald* Ruth Prigozy, 2002 Eleven specially commissioned essays by major Fitzgerald

Legend has it that Hollywood lures gifted writers into its service with sunshine and money only to treat them as glorified typists and plot mechanics peripheral to the main business of moviemaking This is what Ian Hamilton describes as the writer in chains saga that emerges from any study of Hollywood during its so called golden years the period I have marked as running from 1915 1951 But in this superb account of what befell the likes of Faulkner Fitzgerald Chandler and Huxley by working for the Dream Factory Hamilton argues that these writers were in the movies by choice they earned far more money than their colleagues who did not write for films and in several cases they applied themselves conscientiously to the not unimportant task at hand And they had a lot of laughs Fascinating and enjoyable New Statesman Abounds in marvelous stories apocryphal fabulous funny and even true Observer Faber Finds is devoted to restoring to readers a wealth of lost or neglected classics and authors of distinction The range embraces fiction non fiction the arts and children s books For a full list of available titles visit www.faberfinds.co.uk To join the dialogue with fellow book lovers please see our blog www.faberfindsblog.co.uk **Writing Under the Influence** Aubrey Malone,2017-11-28 Writers and alcohol have long been associated for some the association becomes unmanageable Drawing on rare sources this collection of brief biographies traces the lives of 13 well known literary drinkers examining how their relationship with alcohol developed and how it affected their work for better or worse Focusing on examples like F Scott Fitzgerald Ernest Hemingway Edna St Vincent Millay Charles Bukowski and Raymond Carver the combined biographies present a study of the classic figure of the over indulging author **Critical Companion to F.
