**Created Equal** Ben Carson,2022-05-17 In this inspiring New York Times bestseller conservative icon Dr Ben Carson lays out a hopeful road map for how America can come together External physical characteristics that are genetically encoded are things over which no individual has control But rather than appreciating the gift of diversity some have chosen to use it to drive wedges between groups of people Some of these external characteristics are associated with the past moral failing of slavery Though slavery in America formally ended in the 1860s the vestiges of that evil institution are still with us today and those vestiges often inflict guilt on some and facilitate feelings of victimhood in others In **Created Equal** Dr Carson uses his own personal experiences as a member of a racial minority along with the writings and experiences of others from multiple backgrounds and demographics to analyze the current state of race relations in America Instead of using race as an excuse to remake America into something completely antithetical to the Constitution Dr Carson suggests ways to enhance and bring great success to our nation and all multiethnic societies by magnifying America s incredible strengths instead of her historical weaknesses **Annual Report** New Jersey.
