Created Self:

The Created Self Robert John Weber, 2000 The Created Self takes readers to as yet unexplored regions in the modern psyche's preoccupation with self-invention Foundations for Soul Care Eric L. Johnson, 2009-08-20 Eric L. Johnson proceeds to offer a new framework for the care of souls that is comprehensive in scope yet flows from a Christian understanding of human beings what amounts to a distinctly Christian version of psychology This book is a must read for any serious Christian teacher student or practitioner in the fields of psychology or counseling *Christ the Cornerstone (Best of Christianity Today)* John Stott, 2019-11-27 What does it mean to say Jesus is Lord The late Anglican pastor John Stott named as one of the 100 most influential people in 2005 by Time magazine was committed to the notion that Jesus' lordship has ramifications for all of life Out of this conviction grew his contention that the whole mission of God includes both evangelism and social action Christ the Cornerstone recovers several decades of his writings exploring the consequences of Jesus' lordship from the pages of Christianity Today including the regular Cornerstone column he wrote from 1977-1981 In them he treats such diverse topics as Scripture discipleship the worldwide mission of the church and social concerns such as the value of human life care for animals racial diversity and economic inequality Gain insight for today from the writings of a guiding light of evangelicalism **The Cross of Christ** John Stott, 2006-08-31 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In this thoughtful comprehensive study of Scripture tradition and the modern world John R. W. Stott brings you face to face with the centrality of the cross in God's plan of redemption Ārya, 1915 **Dogmatic Theology** William Greenough Thayer Shedd, 1888 *God's Autopsy and the Living Truth of Soul* Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy-turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself Natural Theology, Or, Rational Theism Milton Valentine, 1892 **New Witnesses for God: The Book of Mormon. 3 v** Brigham Henry Roberts, 1909 *The New Thought Companion*, 1914 **The Christian Science Journal**
