

The background image shows a serene altar setup. On the left, a string of warm white fairy lights is draped over a small purple bottle and a silver jar. In the center, a large, rough-textured orange salt lamp sits on a white surface. To its right, a wooden box holds several small, smooth stones in blue, white, and grey. Above the box, three crescent moons and a star in shades of purple, pink, and gold hang from thin wires against a soft, warm-toned wall.

Sacred Space Dan Kimball, 2010-01-05 In a culture where teenagers are growing up inundated with images experiences and media that moves and changes at the speed of light it s no wonder many of them learn better when they re doing something not only listening to someone talk to them So rather than stand up front and only use words to teach about Jesus calling the disciples to be fishers of men o why not provide an experience that incorporates the idea of fishing Using simple things like an inflatable boat and goldfish crackers can turn the old story into something new that your students think of every time they snack on a goldfish cracker or see a boat It turns the lesson into an experience Sacred Space provides dozens of ideas to help students engage in scripture and apply the lesson to their own lives Whether you re looking to teach a biblical theme the life of Christ or a gospel passage or even when celebrating holidays you ll find step by step instructions to create the space and experience necessary to draw your students into the story Through art listening writing and multi sensory prayer stations your students will experience God s Word in a whole new way This is more than a toolbox for your ministry it s a holistic way to approach teaching and communicating God s Word Authors Dan Kimball and Lilly Lewin bring their years of experience developing these kinds of experiences in youth group settings and churches In addition to worship experiences on the life of

Christ you ll find ideas for teaching on The life of David Women of the Bible The Sermon on the Mount Justice The Gospel of Luke Advent Christmas Lent Easter And more Use these ideas in your typical gathering to enhance the teaching and musical worship or develop these experiences into a special event or a new unique service without singing or teaching Inside you ll find everything you need except the actual supplies to create experiences that can transform the way your students encounter God and help them engage in and learn from the Bible in more meaningful ways *Creating Sacred Space Feng Bkclb* K. Kingston,1996-04 So-journeying Tayari kwa Salaam,2003 *Architecture as Transition* ,2004 Spirituality and sanctity are some of the most important qualities that can be expressed through architecture These qualities and the spaces that express them also play a fundamental role in our existence They are experienced across many lands and cultures and with many beliefs and practices My argument maintains that these powerful experiences should not be limited to only a certain group of users but rather should be open for all to experience This type of architectural expression need not be limited to merely religious uses or members of a particular religious group but should extend beyond the limitations and rules of religion and embrace multitudes of people beliefs uses and qualities This thesis explores the idea of sacred space and what it means in an urban context It also questions how to create physical space that can be the gateway or transition to spiritual communication with another realm of being that can allow healing and learning to take place and that can provide an escape or retreat from the ordinary The thesis project is an architectural exploration of designing spaces that search for these qualities of the sacred *Bless This House* Donna Henes,2018-05-16 An urban shaman explains how to conduct blessing ceremonies that sanctify the home and other personal spaces Learn about cleansing agents and how to use them to shower the home with love luck abundance and protection
