Practicing Baptism Bard Eirik Hallesby Norheim, 2014-02-19 Where is Jesus Christ This fundamental question is the starting point of this book which investigates the shape of Christian life and ministry in a post Christendom context Over the last decades there has been a shift in much of Western theology towards focusing on Christian practices in ministry and theological education This may be seen as a way to deal with theological anxiety in an era of heightened personal autonomy In Practicing Baptism Bard Norheim critically analyzes the engagement in Christian practices As a response to this engagement Norheim develops a missional and diaconal theology for ministry focusing on the presence of Christ in Christian practices Fundamentally this is an attempt to answer a pressing question for today What do Christians do Norheim draws on Martin Luther s theology and his notion of the three modes of Christ s presence the present tense of baptism and Luther s idea of the marks of the church Based on this reading of Luther s theology Norheim suggests that Christian life and ministry could be interpreted through the concept practicing baptism What Is the Role of Teens in Your Church?
