

DRUG FREE WORKPLACE

KEEPING YOUR WORKSITE DRUG FREE NOTICE TO EMPLOYEES AND APPLICANTS

THIS COMPANY HAS A ZERO TOLERANCE POLICY REGARDING THE USE OF DRUGS ON THE JOB.

In an effort to maintain a reasonably safe and healthful workplace, and in accordance with both federal and state law, the Company will from time to time inform employees through educational materials about the dangers of drug abuse in the workplace. The Company also has adopted the following policy.

It is a violation of Company policy for any employee to sell, purchase, use, consume, possess, manufacture, distribute, dispense or transport any illegal substance, or to abuse any controlled substance, on Company premises and at any time during working hours, including meal and break periods. Company employees shall report to work with their abilities unimpaired by illegal or controlled substances, and remain so throughout their assigned work day.

If you violate this policy, you will be subject to appropriate disciplinary action, up to and including immediate discharge.

REMEMBER: If you directly observe drug-free workplace policy violations or obvious, on-the-job impairment you believe poses an immediate danger to any worker on the job:

- **DO NOT DELAY** or ignore the situation.
- **ACT** to prevent the worker from committing the unsafe practice, if at all possible.
- **NOTIFY** your supervisor or foreman immediately.
- **BE WILLING** to risk being wrong. When your safety and that of your co-workers is on the line, it is better to be safe than sorry.

When a worker is impaired by the use of drugs or alcohol, he or she threatens the safety and well-being of everyone at a worksite. To do your part to protect workplace safety:

- Understand your company's drug-free workplace policy.
- Follow it and set a good example for others by working drug and alcohol free.
- Seek help if you or your co-worker(s) need it.
- Notify management if you observe use of or impairment from drugs or alcohol that could threaten the health and safety of co-workers.
