## Creating Characters With Charles Dickens:

**Creating Characters with Charles Dickens** Doris Alexander, 1991 In *Creating Characters with Charles Dickens* Doris Alexander provides substantial insight into the creative process as it unfolded in Dickens's work. She reveals how Dickens converted not only public figures but close friends and family to fictional use. Marking Dickens's return to the monthly number format after nearly a decade of writing fiction designed for weekly publication in *All the Year Round*, *Our Mutual Friend* emerged against the backdrop of his failing health, troubled relationship with Ellen Ternan, and declining reputation among contemporary critics. In his subtly argued publishing history, Sean Grass shows how these difficulties combined to make *Our Mutual Friend* an extraordinarily odd novel, no less in its contents and unusually heavy revisions than in its marketing by Chapman and Hall, its transformation from a serial into British and U.S. book editions, its contemporary reception by readers and reviewers, and its delightfully uneven reputation among critics in the 150 years since Dickens's death. Enhanced by four appendices that offer contemporary accounts of the Staplehurst railway accident, information on archival materials, transcripts of all of the contemporary reviews, and a select bibliography of editions, Grass's book shows why this last of Dickens's finished novels continues to intrigue its readers and critics.
