## **Creation And Judgement Creation Texts In Some Eighth Century Prophets:**

**Creation and Judgement** Stefan Paas,2003-01-01 This exegetical study consists of a thorough discussion of creation texts in the books of Amos Hosea and Isaiah and a critical examination of some popular views on creation in the Bible

**Creation and Judgement** ,1942 **Amos and the Cosmic Imagination** James R. Linville,2017-11-30 Said to contain the words of the earliest of the biblical prophets 8th century BCE the book of Amos is reinterpreted by the author in light of new and sometimes controversial historical approaches to the Bible Amos is read as the literary product of the Persian era community in Judah Its representations of divine human communication are investigated in the context of the ancient writers own role as transmitters and shapers of religious traditions Amos s extraordinary poetry expresses mythical conceptions of divine manifestation and a process of destruction and recreation of the cosmos which reveals that behind the appearances of the natural world is a heavenly cosmic temple

**T&T Clark Handbook of the Doctrine of Creation** ,2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation

*Scribal Culture and Intertextuality* JiSeong James Kwon,2016-05-12 JiSeong James Kwon discusses similar linguistic expressions and themes between Job and Deutero Isaiah and attempts to find out a common historical background He argues that both Job and Deutero Isaiah significantly reflect common scribal ideas although each text belongs to wisdom and prophetic genre From the back of the book

**Reimagining at the Sources** James Atwell,2024-03-21 Re imagining at the Sources offers the fruits of a lifetime s reflection on the Bible and its role within the Christian faith from a respected scholar and priest Atwell lays out the history of Israel and the biblical roots of Christian faith from the origins of Israel s religious traditions to Jesus of Nazareth This book explores the sources of faith and analyses the complex faith journey that has taken place as Israel s religious traditions have developed The book provides a single coherent account which joins up the period covered by Israel s early religious traditions with that of Second Temple Judaism and the world of Jesus of Nazareth A distinctive feature of the volume is its focus on apocalyptic literature

**Vetus Testamentum** ,2007 **The Composition and Redaction of the Book of Amos** Tchavdar S. Hadjiev,2009 This Oxford dissertation offers a fresh redactional analysis of the Book of Amos It starts with a critical survey of existing approaches and an examination of the methodological issues involved and proceeds with a detailed exegetical analysis of the prophetic text which forms the basis for the redactional conclusions It steers a middle course between extreme conservative treatments which trace all the material back to the prophet Amos and more radical sceptical approaches which attribute most of the prophetic oracles to the work of later redactors The composition of the book began with two collections the Polemical scroll written not long after

the end of Amos ministry and the Repentance scroll composed shortly before 722 BC The Repentance scroll was reworked in Judah towards the end of the 8th century BC and the two scrolls were combined to form a single work sometime during the 7th century BC The Book underwent only one redaction during the exilic period which sought to actualise its message in a new historical context The study pays special attention to the literary structure aim and probable historical circumstances of the various collections which gradually evolved into the present Book of Amos and seeks to show how the prophetic message lived on and spoke to the various communities which preserved and transmitted it The Divine Council in Late Canonical and Non-canonical Second Temple Jewish Literature Michael S. Heiser, 2004 **The International Critical Commentary on the Holy Scriptures of the Old and New Testaments**, 1975 *Elenchus of Biblica*, 2003 **The Old Testament in the Life of God's People** E. A. Habel, Peter L. Trudinger, 2008 What has hermeneutics to do with ecology What texts if any come to mind when you consider what the scriptures might say about environmental ethics To help readers think critically and clearly about the Bible's relation to modern environmental issues this volume expands the horizons of biblical interpretation to introduce ecological hermeneutics moving beyond a simple discussion about Earth and its constituents as topics to a reading of the text from the perspective of Earth In these groundbreaking essays sixteen scholars seek ways to identify with Earth as they read and retrieve the role or voice of Earth a voice previously unnoticed or suppressed within the biblical text and its interpretation This study enriches eco-theology with eco-exegesis a radical and timely dialogue between ecology and hermeneutics The contributors are Vicky Balabanski Laurie Braaten Norman Habel Theodore Hiebert Cameron Howard Melissa Tubbs Loya Hilary Marlow Susan Miller Raymond Person Alice Sinnott Kristin Swenson Sigve Tonstad Peter Trudinger Marie Turner Elaine Wainwright and Arthur Walker Jones Paperback edition is available from the Society of
