Creation Versus Chaos The Reinterpretation Of Mythical Symbolism In The Bible:

Creation Versus Chaos Bernhard W. Anderson, 1967 *Philosophical Hermeneutics and Biblical Exegesis* Petr Pokorný, Jan Roskovec, 2002 Essays that focus on the analysis of the hermeneutical process which is what occurs when texts are interpreted successfully Also includes contributions from prominent researchers from all religious denominations on the subjects of philosophical hermeneutics exegesis and theology *Reverberations of the Exodus in Scripture* R. Michael Fox, 2014-05-12 Inner biblical studies is a blossoming field Within this growing specialization Reverberations of the Exodus in Scripture is a unique and refreshing contribution Unlike most studies in this area focusing either solely on how Old Testament passages interact with other Old Testament texts or on the use of the Old Testament in the New Testament this volume examines how a central and paradigmatic biblical event the exodus from Egypt resurfaces time and again in both testaments Furthermore the collaborative nature of this project has allowed specialists to construct each chapter Readers of Reverberations of the Exodus in Scripture will gain a better understanding of the role of the exodus throughout the biblical canon and a deeper appreciation for its place in biblical theology **Genesis 1-11:26: The Christian Standard Commentary** Kenneth A. Mathews, 2023-06-15 Genesis 1 11 is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book thoughtfully balancing rigorous scholarship with practical application **The Annihilation of Hell** Nik Ansell, 2013-10-01 For Jürgen Moltmann Hell is the nemesis of Hope The annihilation of Hell thus refers both to Hell's annihilative power in history and to the overcoming of that power as envisioned by Moltmann's distinctive theology of the cross in which God becomes all in all through Christ's descent into Godforsakenness The negation of Hell and the fulfillment of history are inseparable Attentive to the overall contours and dynamics of Moltmann's thinking especially his *zinzum* doctrine of creation his eschatologically oriented philosophy of time and his expanded understanding of the nature grace relationship this study asks whether the universal salvation that he proposes can honor human freedom promise vindication for those who suffer and do justice to biblical revelation As well as providing an in depth exposition of Moltmann's ideas The Annihilation of Hell also explores how a covenantal universalism might revitalize our web of beliefs in a way that is attuned to the authorizing of Scripture and the spirituality of existence If divine and human freedom are to be reconciled as Moltmann believes the confrontation between Hell and Hope will entail rethinking issues that are not only at the center of theology but at the heart of life itself Theology for Earth Community Dieter T. Hessel, 2003-08-18 This volume brings together original essays by both seasoned professionals and emerging scholars who examine state of the art scholarship and pedagogy in ecologically alert theology Authors assess what various theologians have to offer and draw implications for reshaping religious and environmental studies as well as preparing the next generations of church leaders or pastoral workers What needs to be done these authors ask to bring biblical studies systematics social ethics practical theology spiritual formation and liturgy up to speed with eco justice thought and action on

environmental questions Dictionary of Biblical Imagery Leland Ryken, James C. Wilhoit, Tremper Longman III, 2010-05-11 This reference work explores the images symbols motifs metaphors figures of speech and literary patterns found in the Bible With over 800 articles by over 100 expert contributors this is an inviting enlightening and indispensable companion to the reading study contemplation and enjoyment of the Bible **Revealed Wisdom** John Ashton, 2014-06-16 A collection of twenty one essays clustered around the theme of apocalyptic revelations of hitherto undisclosed divine mysteries to human seers either directly or through the mediation of an interpreting angel Preliminary essays on the Book of Job Messianism and apocalyptic ethics are followed by five studies centred upon Jewish apocalypses composed around the turn of the era two anonymous three pseudonymous and four essays on New Testament writers two on Paul one on Mark and one on John A reflection upon an early Islamic convert from Judaism emphasizing the Abrahamic lexicon common to all three religions of the book is succeeded by essays on two medieval Christian visionaries Joachim of Fiore and Francis of Assisi After a further essay on a little known Syriac apocalyptic text the volume concludes with studies of four different aspects of the Book of Revelation itself **Let Justice Roll Down** Bruce C. Birch, 1991-01-01 Connecting the Old Testament with the modern church this book relates the testimonies and stories of Israel's faith in the Hebrew canon to the character and conduct of Christians and the Christian community today By opening up the moral resources available in the Old Testament this book will spur discussion of both the character of those moral resources and their pertinence to ethical issues in a complex and challenging time The Social World of Formative Christianity and Judaism Jacob Neusner, 1988 She Must and Shall Go Free Matthew S. Harmon, 2010 Although the significance of the Old Testament for Paul's argument in Galatians is well established the significance of Isaiah has not been fully appreciated Using an intertextual approach Harmon argues that Isaiah 49-54 in particular has shaped Paul's argument and theology in Galatians The result is fresh light shed on Paul's self understanding as an apostle to the Gentiles the content of his gospel message his reading of the Abraham story and the larger structure of Galatians **Charisma and Authority in Israelite Society** Rodney R. Hutton, 1994 Rodney R Hutton contends that the generally presupposed antithesis between the charismatic and the institutional in the Hebrew Bible is a false dichotomy With regard to judges prophets priests royal dynasties and sages there is in the Old Testament an interplay of traditional legal rational and charismatic impulses An examination of the social matrices of ancient Israel with respect to each of these leadership types shows that they all exhibit aspects of the charismatic type **Bibliographic Index**, 1966 Religion and Art in Conflict Samuel Laeuchli, 1980 This book offers a new approach both to the study of religion and the study of art Incorporating both theological and artistic research it presents a framework in which these two phenomena can meet and profit from cross disciplinary encounter **The Book of Job as Hebrew Theodicy** Linda Jean Sheldon, 2002 *Ancient Myths and Biblical Faith* Foster R. McCurley, 1983 In tracing the development of three mythological themes the conflict between the god of order and the chaos of the sea the rhythm of fertility and sterility in terms of divine and human

sexuality and that quality of space known as the sacred mountain Foster R McCurley examines religious texts from Mesopotamia Canaan and Egypt cultures which had direct contact with ancient Israel The use of these themes in both the Hebrew Bible and the New Testament is discussed with the thematic development providing a basis for exploring the relationship between myth and history in biblical faith **Philosophical Questions Series** ,1973 **Word Biblical Commentary** ,1982 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship **American Book Publishing Record** ,1987 *The Publishers Weekly* ,1967
