Scripture Proofs and Scriptural Illustrations of Unitarianism John Wilson, 1846 **Creation** Joseph Franklin Rutherford, 1927 *Systematic Theology* Louis Berkhof, 1949-01-01 Now that my Systematic Theology is again being reprinted the Preface can be very brief It is not necessary to say much about the nature of the work since it has been before the public for more than fifteen years and has been used extensively I have every reason to be grateful for its kind reception for the favorable testimony of many reviewers and for the fact that the book is now used as a textbook in many Theological Seminaries and Bible Schools in our country and that requests were even received from abroad for permission to translate it into other languages These are blessings which I had not anticipated and for which I am deeply grateful to God To Him be all the honor And if the work may continue to be a blessing in many sections of the Church of Jesus Christ it will but increase my recognition of the abundant grace of God **Exploring the Evidence for Creation** Henry M. Morris, 2012-09-01 In *Exploring the Evidence for Creation* Henry Morris III merges years of meticulous research alongside the latest findings of science to present powerful evidence that upholds the biblical account of the earth's beginnings In response to the growing number of Christians who attempt to wed evolutionary theories with the biblical account of creation Morris ably
