Christian Marriage David Michael Thomas, 1992 This book represents a theology of marriage It is not intended as a manual for solving marital problems or as a self help guide on how to improve one s marriage Rather its basic goal is to bring forward into our time with all its uniqueness and peculiarities major insights of the Christian faith as they relate to married life Through the love of wife and husband woman and man through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple s collaboration with God s creative power in brining new life into the world through the spirituality lived in transforming creation the sacrament of marriage brings the Spirit of God into the world Each couple has the power to block this process but what is more important to affirm is their capacity to advance it And it happens From Chapter 1 [Design for Christian Marriage](#) Dwight Hervey Small, 1959 This book explores the territory from casual dating to the prevalent causes for marital breakup It is the thesis of this book that Christian marriage is unique that it is truly creative and that it is inherently fortified against such pathological deterioration as leads to divorce Christian marriage is more than a lofty concept that provides an unattainable ideal it is a dynamic relationship that links the very power of God to the marriage union p 7 [The Creative Marriage](#) Ed Young, Lisa Young, 2022-02-11 DO YOU WANT AN EXCITING AND SATISFYING MARRIAGE When the dreams fade and the realities of life set in those magical vows from your wedding day can start to lose their luster You begin to negotiate the marital maze of budgeting balancing in laws choosing careers and then you add children to the mix To top it off the romantic feelings for each other ebb and flow in the stresses of everyday life How can we be men and women who consistently and creatively live out our vows after the honeymoon is over In a culture that tells us it s ok to quit it s time for us to discover what it takes to commit and experience a marriage and love created to last Ed and Lisa take a penetrating look at what it means to have a lasting marriage in today s world Drawing upon their experience in church ministry and successful marriage of more than forty years they speak openly and honestly about the hard work involved in keeping your marital relationship fresh and alive as you creatively live out your I Do s The Creative Marriage offers valuable insight into these critical areas Laying a strong foundation for a lasting marriage Keeping

your marriage relationship at the center of your home Building up your spouse with creative communication Allowing positive conflict resolution to increase intimacy Removing the barriers to a sizzling sex life Protecting your marriage against financial pressures Recreating marriage and family after divorce Disclaimer Former Version The Creative Marriage The Art of Keeping Your Love Alive by Ed Young Hardcover ISBN 978 0972581301 October 1 2002 by Creality Publishing New Version The Creative Marriage The Art of Keeping Your Love Alive by Ed Lisa Young Paperback ISBN 9781950113743 February 11 2022 by XO Publishing Also Applies to eBook Kindle Version The Liturgy That Does Justice James L. Empereur, Christopher G. Kiesling, 2006-02-09 Fr Jake Empereur S J vicar and liturgist at the San Fernando Cathedral in San Antonio Texas was for many years a professor of systematic and liturgical theology at the Jesuit School of Theology at Berkeley and the Graduate Theological Union During that time he founded the Institute for Spirituality and Worship a nine month renewal program which has trained people from all around the world He was also the founding editor of Modern Liturgy Magazine that still continues today under the name of Ministry and Liturgy At Berkeley he was very much involved in the area of theology and the arts He also taught courses in the enneagram and spiritual direction In 1994 he moved to San Antonio Texas to work in Hispanic ministry at the San Fernando Cathedral and to be the cathedral liturgist There he continues his work in teaching and writing while being engaged as a full time parish priest He is the author of several books and articles in the field of liturgy and sacraments His latest books are The Enneagram and Spiritual Direction and Spiritual Direction and the Gay Person His latest book with the title of La Vida Sacra Hispanic Sacramental Theology should appear in 2006 Christopher G Kiesling is also the author of The Spirit and Practice of the Liturgy The Future of the Christian Sunday and Celibacy Prayer and Friendship Eros and Creativity in Russian Religious Renewal Anna Lisa Crone, 2010-01-19 This book is a fascinating exploration of largely uncharted territory in the history of Russian religious thought Focusing on four brilliant representatives of the Russian religious renaissance of the late nineteenth and early twentieth centuries Vladimir Solovyov Vasily Rozanov Nikolai Berdyaev and Boris Vysheslavitsev Anna Lisa Crone masterfully details their efforts which were at first quite independent of the work of Sigmund Freud and later highly critical of it to establish the importance of the sex drive in human life and to reinterpret Christianity as a religion of the flesh as well as the spirit Crone s use of the concept of sexual sublimation developed by Solovyov and Rozanov before Freud had described it and its connection with human creativity is the perfect foil for bringing out and clarifying the agreements and differences between the Russian religious thinkers on the one hand and the secular psychoanalysts such as Freud Carl Jung and Otto Rank on the other New light is cast on all these figures by Crone s adroit analyses which will also be welcomed by anyone interested in the roots of creativity the cultural significance of sexuality or the essence of Christianity James P Scanlan Professor Emeritus of Philosophy The Ohio State University **Emotions: Can You Trust Them?** Dr. James Dobson, 2003-08-08 Dr James Dobson provides practical guidelines and simple steps to help anyone understand their

emotions so that they can improve interaction with others Love anger and guilt are emotions that can be a very positive force in our lives if we learn to recognize and cope with these aspects of who we are The sound teaching of this book will help dispel the myths surrounding the way we think about our emotions and will separate distorted thinking from the real thing Learn how to interpret and understand a broad range of emotions and separate fantasy from reality The Body in Context Gareth Moore,2005-02-11 In this highly readable book Gareth Moore examines some of the principle arguments and styles of argument advanced by Christians particularly the Roman Catholic Church in support of Christian standards in sexual ethics Catholic teaching has sought to present those standards and values as ones which anyone can embrace ones which they should be able to see as right if only they think about them in the right way Arguments have been drawn from Scripture and also from philosophy and experience the latter being particularly important at a time when the Church can no longer lay down the law but has to be able to persuade But are these arguments valid or are they flawed Moore's study covers such wide ranging topics as sexual pleasure the purpose of sex sexual gestures marriage contraception and homosexuality and in these areas and the more specific sexual issues he covers he often finds the Church's case to be defective Though the Church has valuable things to say its supporting arguments can be unconvincing Better arguments he claims are needed or alternatively the possibility has to be faced that the Church's teaching needs modification Whatever the case the Church needs to do more thinking about sex **The Living Church**,1948 **The Family in Christian Perspective** C.
