Managing Corporate Design Peter L. Phillips, 2015-03-17 Corporations increasingly view graphic design as a core strategic business competency in a highly competitive climate and they are challenging their in-house designers to supply far more than a service or support function Their new role is to provide sound solutions to real world business pressures Managing Corporate Design addresses head-on these new challenges in a highly practical manner Peter L. Phillips writes specifically to corporate in-house graphic design groups searching for positive accessible methods to better establish their group as a core strategic business competency This guide covers Developing a framework Assessing the value you offer Recognizing the business role of design Communicating in a corporate language Gaining and forming business relationships Developing design briefs and approval presentations Managing and hiring staff Incorporating creativity Overcoming obstacles and moving forward These fresh strategies and more provide actionable tools for helping corporate design teams meet the new business demands of today Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

Marketing Plan of the Graphic Design Industry for Small-business Owners in the Central Valley Gregory Morales, 2018 This

marketing plan will discuss in great detail the many avenues that can lead to success for the graphic designer operating their small business in the Central Valley of California as well as potential risks pitfalls competitors and different products and services that all go together to create the dynamic field of graphic design The current plan contains enough information to educate the layman about the graphic design industry There is a lot of hype or noise that surrounds new trends in the graphic design industry as everyone wants to stay ahead of the competition However trends can be bucked occasionally for a more insightful and pragmatic attitude to avoid the hype and fervor of recklessly chasing after the next fad This strategy of chasing after fads can be equated to jumping endlessly through hoops which is almost the same as not having a strategy The balance or trick to this is to seize opportunities in a strategic fashion Seize the opportunity in front of you and allow this marketing plan to serve as a guide as to why California is composed of the largest concentration of graphic designers Take a journey with me

Talent Is Not Enough Shel Perkins, 2010-04-22 The best business guide for design professionals just got better This revised and expanded second edition includes everything designers need besides talent to turn their artistic success into business success You ll find information on key issues facing designers from freelancing to managing established design firms A strong visual focus and to the point text take the fear factor out of learning about thorny business realities like staffing marketing bookkeeping intellectual property and more These smart business practices are essential to success in graphic Web and industrial design Here are just a few of the things you ll learn How to get on the right career path The best way to determine pricing How to avoid common legal pitfalls How to manage large projects The secrets of efficient design teams How to forecast your workload and finances Talent Is Not Enough provides a big picture context for these and other challenges and shares practical real world advice Since its first publication the book has become an essential resource for both students and working professionals in these areas and more Design planning and strategy Corporate identity development Publication and editorial design Brand identity and packaging design Advertising and promotion design Marketing communications Environmental design Industrial design Motion graphics Interaction design Information design It is rare to find one individual with such a wide range of knowledge in the design related fields And because of his experience as a designer Shel brings a sensitivity and understanding to administrative issues while still respecting the artistic side of our industry Frank Maddocks President Maddocks Company Now that design skills have become a commodity you need business skills to focus them Shel has written a crackerjack book that will be on the shelf of every ambitious designer Marty Neumeier author of Zag and The Brand Gap
