Marketing Plan of the Graphic Design Industry for Small-business Owners in the Central Valley Gregory Morales, 2018 This

marketing plan will discuss in great detail the many avenues that can lead to success for the graphic designer operating their small business in the Central Valley of California as well as potential risks pitfalls competitors and different products and services that all go together to create the dynamic field of graphic design The current plan contains enough information to educate the layman about the graphic design industry There is a lot of hype or noise that surrounds new trends in the graphic design industry as everyone wants to stay ahead of the competition However trends can be bucked occasionally for a more insightful and pragmatic attitude to avoid the hype and fervor of recklessly chasing after the next fad This strategy of chasing after fads can be equated to jumping endlessly through hoops which is almost the same as not having a strategy The balance or trick to this is to seize opportunities in a strategic fashion Seize the opportunity in front of you and allow this marketing plan to serve as a guide as to why California is composed of the largest concentration of graphic designers Take a journey with me
