## **Business Valuation And Taxes Procedure Law And Perspective:**

Business Valuation and Taxes David Laro, Shannon P. Pratt, 2005-04-08 Disputes over valuation issues fill the court's dockets and for good reason fair market valuations are required frequently by the law. The authors believe that approximately 243 sections of the Code and several thousand references in the Regulations explicitly require fair market value determination. Consequently taxpayers file an estimated 15 million tax returns each year reporting an event involving a valuation related issue. It is no mystery therefore why valuation cases are ubiquitous. Today valuation is an important and highly sophisticated process. Valuers need legitimate guidance to perform their work. The objective of this book is to provide knowledge and guidance to those who do the valuations as well as those who are affected by them. This unprecedented text provides clear guidance and perspective on business valuation from two of the nation's top authorities Hon David Laro and Dr Shannon Pratt. Insightful perspective and discussion on critical issues procedures and law pertaining to business valuation. An overview of business valuation procedures.
