issues fill the court's dockets and for good reason fair market valuations are required frequently by the law. The authors believe that approximately 243 sections of the Code and several thousand references in the Regulations explicitly require fair market value determination. Consequently taxpayers file an estimated 15 million tax returns each year reporting an event involving a valuation related issue. It is no mystery therefore why valuation cases are ubiquitous. Today valuation is an important and highly sophisticated process. Valuators need legitimate guidance to perform their work. The objective of this book is to provide knowledge and guidance to those who do the valuations as well as those who are affected by them. This unprecedented text provides clear guidance and perspective on business valuation from two of the nation's top authorities: Hon. David Laro and Dr. Shannon Pratt. Insightful perspective and discussion on critical issues, procedures, and law pertaining to business valuation. An overview of business valuation procedures. Law and techniques of Fair Market Value Opinion from the Hon. David Laro and Dr. Shannon Pratt who express their unique and critical views. The business valuer with everything from the basics to the sophisticated. From definitions to valuing complex business interests, what you need to know about business valuation. Everything from empirical market evidence to credible expert business valuation testimony discussed and analyzed by the Hon. David Laro and Dr. Shannon Pratt. A Reviewer's Handbook to Business Valuation L. Paul Hood, Jr., Timothy R. Lee, 2011-03-31. Thorough guidance and detailed analysis of the valuation business engagement. Discussing the practical aspects of business valuation that arise in the context of a tax valuation, this book provides you with detailed analysis of the valuation business engagement process. Detailed discussion is included of various cases outlining errors that appraisers have made in appraisal reports as well as in depth discussion of the current appraisal industry issues that are impacting tax valuations. Examines concepts and topics including level of value, the role of estate planners in the business valuation process, the use of appraisers in estate planning and litigation, and the appraiser identification selection process. Provides insight into the nature of the major appraisal trade associations. Offers insights into preventing errors from getting into appraisal reports. This helpful guide provides you with the detailed discussion you need on the various business valuation standards that have been promulgated by the Appraisal Standards Board as well as several appraisal trade associations.
