England fends for herself after Henry VIII closes her abbey in this historical novel perfect for fans of Wolf Hall and Philippa
Gregory In 1535 England is hardly a wellspring of gender equality it is a grim and oppressive age where women even the
privileged few who can read and write have little independence In *The Butcher's Daughter* it is this milieu that mandates
Agnes Peppin daughter of a simple country butcher to leave her family home in disgrace and live out her days cloistered
behind the walls of the Shaftesbury Abbey But with her great intellect she becomes the assistant to the Abbess and as a
result integrates herself into the unstable royal landscape of King Henry VIII As Agnes grapples with the complex rules and
hierarchies of her new life King Henry VIII has proclaimed himself the new head of the Church Religious houses are being
formally subjugated monasteries dissolved and the great Abbey is no exception to the purge The cosseted world in which
Agnes has carved out for herself a sliver of liberty is shattered Now free at last to be the master of her own fate she descends
into a world she knows little about using her wits and testing her moral convictions against her need to survive by any means
necessary *The Butcher's Daughter* is the riveting story of a young woman facing head on the obstacles carefully constructed
against her sex This dark and affecting novel by award winning author Victoria Glendinning intricately depicts the lives of
