

A dramatic landscape featuring a paved road that stretches into the distance, flanked by dry, yellowish-brown fields. In the background, dark, rugged mountains rise against a heavy, grey, and stormy sky. A bright light source, possibly the sun, is visible through a break in the clouds near the top center of the image.

Doubt may be a poor encouragement to do
anything, but it is a bad reason for doing
nothing.

By Reason Of Doubt:

By Reason of Doubt Ellen Godfrey, 1984 One day in Paris Cyril Belshaw reported that his wife Betty had disappeared without a trace Soon afterward her mutilated corpse was discovered concealed on a mountainside and Cyril was charged with her murder This is the story of a typical Canadian academic couple happily married well off well travelled their children grown whose lives go terribly wrong Soon after the discovery of Betty Belshaw's body Swiss police began to reconstruct a chain of events including Cyril Belshaw's marital infidelity that ultimately led to his incarceration and trial for her killing After a torturous court case the verdict rendered was neither guilty nor innocent Cyril Belshaw was acquitted by reason of doubt Doubts as to who killed Betty Belshaw remain to this day By Reason of Doubt is a gripping true crime saga that reads like a mystery novel Notices of Judgment Under the Food and Drugs Act United States. Whitman, 2008-01-01 To be convicted of a crime in the United States a person must be proven guilty beyond a reasonable doubt But what is reasonable doubt Even sophisticated legal experts find this fundamental doctrine difficult to explain In this accessible book James Q Whitman digs deep into the history of the law and discovers that we have lost sight of the original purpose of reasonable doubt It was not originally a legal rule at all he shows but a theological one The rule as we understand it today is intended to protect the accused But Whitman traces its history back through centuries of Christian

theology and common law history to reveal that the original concern was to protect the souls of jurors In Christian tradition a person who experienced doubt yet convicted an innocent defendant was guilty of a mortal sin Jurors fearful for their own souls were reassured that they were safe as long as their doubts were not reasonable Today the old rule of reasonable doubt survives but it has been turned to different purposes The result is confusion for jurors and a serious moral challenge for our system of justice
