A Tale of the Rise of
the Dutch Republic

by
G. A. Henty

By Pike And Dyke

GEORGE ALFRED HENTY

By Pike And Dyke:

By Pike And Dyke G A Henty, 2023-07 *A Tale of the Rise of the Dutch Republic* by G A Henty is an enthralling historical novel that takes readers on a captivating journey through one of the most pivotal periods in Dutch history. Prepare to be transported to a world of political intrigue, epic battles, and the indomitable spirit of a nation fighting for its freedom. Set during the 16th century, the story follows the adventures of a young protagonist amidst the turbulent times of the Dutch struggle for independence against Spanish rule. Through the eyes of our hero, readers witness the rise of iconic figures such as William the Silent and the daring exploits of Dutch rebels. G A Henty's meticulous research and vivid storytelling bring this tumultuous era to life, painting a rich tapestry of the political landscape, religious tensions, and the courage of those who fought for their beliefs. The novel seamlessly weaves historical events with the personal journey of our protagonist, creating a captivating blend of action, drama, and emotion. *A Tale of the Rise of the Dutch Republic* not only educates but also entertains, showcasing Henty's masterful storytelling skills and his ability to bring history to life. Through the triumphs and tribulations of the characters, readers develop a profound appreciation for the sacrifices made by those who fought for the birth of a nation.

By Pike and Dyke; A Tale of the Rise of the Dutch Republic G. A. Henty, 2023-09-17. Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

By Pike and Dyke: A Tale of the Rise of the Dutch Republic George Alfred Henty, 1978-01-01. Rotherhithe in the year of 1572 differed very widely from the Rotherhithe of today. It was then a scattered village inhabited chiefly by a seafaring population. It was here that the captains of many of the ships that sailed from the port of London had their abode. Snug cottages with trim gardens lay thickly along the banks of the river where their owners could sit and watch the vessels passing up and down or moored in the stream and discourse with each other over the hedges as to the way in which they were handled, the smartness of their equipage, whence they had come or where they were going. For the trade of London was comparatively small in those days and the skippers as they chatted together could form a shrewd guess from the size and appearance of each ship as to the country with which she traded or whether she was a coaster working the eastern or southern ports. Most of the vessels indeed would be recognized and the captains known and hats would be waved and welcomes or adieus shouted as the vessels passed. There was something that savoured of Holland in the appearance of Rotherhithe for it was with the Low Countries that the chief trade of England was carried on and the mariners who spent their lives in journeying to and fro between London and the ports of Zeeland, Friesland and Flanders who for the most part picked up the language of the country and sometimes even brought home wives from across the sea naturally learned something from their neighbours. Nowhere perhaps in and about London were the houses so clean and bright and the gardens so trimly and neatly kept as in the village of Rotherhithe and in all Rotherhithe not one was brighter and more comfortable than the abode of Captain William Martin. It was low and solid in appearance, the wooden framework was

unusually massive and there was much quaint carving on the beams The furniture was heavy and solid and polished with beeswax until it shone The fireplaces were lined with Dutch tiles the flooring was of oak polished as brightly as the furniture The appointments from roof to floor were Dutch and no wonder that this was so for every inch of wood in its framework and beams floor and furniture and had been brought across from Friesland by William Martin in his ship the Good Venture It had been the dowry he received with his pretty young wife Sophie Plomaert Sophie was the daughter of a well to do worker in wood near Amsterdam She was his only daughter and although he had nothing to say against the English sailor who had won her heart and who was chief owner of the ship he commanded he grieved much that she should leave her native land and he and her three brothers determined that she should always bear her former home in her recollection They therefore prepared as her wedding gift a facsimile of the home in which she had been born and bred The furniture and framework were similar in every particular and it needed only the insertion of the brickwork and plaster when it arrived Two of her brothers made the voyage in the Good Venture and themselves put the framework beams and flooring together and saw to the completion of the house on the strip of ground that William Martin had purchased on the bank of the river

By Pike and Dyke G. A. Henty,2019-02-09 This edition of *By Pike and Dyke A Tale of the Rise of the Dutch Republic* by G A Henty is given by Ashed Phoenix Million Book Edition *By Pike and Dyke* George Alfred,2018-06-27 *By Pike and Dyke a Tale of the Rise of the Dutch Republic* by G A George Alfred Henty NED S RESOLVE On the ninth morning after the departure of the brig Ned was up as soon as daylight appeared and made his way to the walls The watchman there with whom he had had several talks during the last two days said There is a brig hull down seaward and I should say that she is about the size of the one you are looking for She looks too as if she were heading for this port I think that is she Ned said gazing intently at the distant vessel It seems to me that I can make out that her jib is lighter in colour than the rest of her canvas If that is so I have no doubt about its being the Good Venture for we blew our jib away in a storm off Ostend and had a new one about four months ago That is her then young master the watchman said shading his eyes and looking intently at the brig Her jib is surely of lighter colour than the rest of her canvas With this confirmation Ned at once ran round to the house he had taken and told the servants to have fires lighted and everything in readiness for the reception of the party My father he said will be brought here in the course of an hour or so My mother will arrive a little later Ned then went round to the doctor who had promised that he would personally superintend the removing of his patient and would bring four careful men and a litter for his conveyance He said that he would be round at the burgomaster s in half an hour Ned then went back to his father Captain Martin looked round eagerly as he entered We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many

decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **By Pike and Dyke** G a Henty,2020-08-22 In all the pages of history there is no record of a struggle so unequal so obstinately maintained and so long contested as that by which the men of Holland and Zeeland won their right to worship God in their own way and also although this was but a secondary consideration with them shook off the yoke of Spain and achieved their independence The incidents of the contest were of a singularly dramatic character Upon one side was the greatest power of the time set in motion by a ruthless bigot who was determined either to force his religion upon the people of the Netherlands or to utterly exterminate them Upon the other were a scanty people fishermen sailors and agriculturalists broken up into communities with but little bond of sympathy and no communication standing only on the defensive and relying solely upon the justice of their cause their own stout hearts their noble prince and their one ally the ocean Cruelty persecution and massacre had converted this race of peace loving workers into heroes capable of the most sublime self sacrifices Women and children were imbued with a spirit equal to that of the men fought as stoutly on the walls and died as uncomplainingly from famine in the beleaguered towns The struggle was such a long one that I have found it impossible to recount all the leading events in the space of a single volume and moreover before the close my hero who began as a lad would have grown into middle age and it is an established canon in books for boys that the hero must himself be young I have therefore terminated the story at the murder of William of Orange and hope in another volume to continue the history and to recount the progress of the war when England after years of hesitation threw herself into the fray and joined Holland in its struggle against the power that overshadowed all Europe alike by its ambition and its bigotry There has been no need to consult many authorities Motley in his great work has exhausted the subject and for all the historical facts I have relied solely upon him By Pike and Dyke GEORGE ALFRED HENTY,2025-03-28 By Pike and Dyke A Tale of the Rise of the Dutch Republic by G A Henty transports readers to the turbulent 16th century Netherlands amidst the Eighty Years War This meticulously reprinted historical fiction explores the courageous struggle for independence from Spanish rule Set against the backdrop of the Dutch Republic s formation the story vividly portrays a pivotal era in European history Readers will be immersed in the action and adventure as the Netherlands fights for its freedom This enduring juvenile fiction offering provides a fascinating glimpse into the historical events shaping the Benelux countries Experience the conflicts strategies and spirit of a nation determined to forge its own destiny in By Pike and Dyke This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a
