## **By Scripture Alone The Sufficiency Of Scripture:**

**Scripture Alone** James R. White, 2004-10-01 A denial of the sufficiency of Scripture is at the core of almost every form of opposition to the Christian faith today Scripture Alone is written to instill a passionate love for and understanding of the Bible In this defense of God's inspired Word readers will comprehend what God's Word is the nature of Scripture the relationship of the Bible to tradition how to apply Scripture to today's issues and much more Included is a faith inspiring study of the canon what it is and where it came from **By scripture alone : the sufficiency of scripture** W. Gary Crampton, 2002

**God's Word Alone---The Authority of Scripture** Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

**A History of the English Church: 19th century; by F.W. Cornish** William Hunt, 1910 **The English Church in**

**the Nineteenth Century** Francis Warre Cornish,1910      **The Shape of Sola Scriptura** Keith A. Mathison,2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Ligonier Ministries      **Errata of the Protestant Bible** Thomas Ward,1844

Debate on the Action of Baptism, the Design of Baptism, the Subjects of Baptism, the Work of the Holy Spirit, the Discipline of the M. E. Church, and Human Creeds Clark Braden,1870      **An Exposition of the Thirty-nine Articles** Edward Harold Browne,1877      *An exposition of the thirty-nine Articles, historical and doctrinal* Edward Harold Browne (bp. of Winchester.),1874      A History of the English Church: The English church in the nineteenth century William Richard Wood Stephens,1910      **Tradition and Change in the Church** James Patrick Mackey,1968 Tradition is a process an activity an occurrence which straddles the centuries The same can be said of change which is always an integral part of tradition But tradition and change are also concepts and we can try to work out a satisfactory account of tradition and change The need for such reflective understanding of tradition and change is central to contemporary theology It is to this task that the author addresses himself in the present work He explains the necessity of tradition in the life of any community In particular he highlights the unifying power of religious tradition      **The Abingdon Bible Commentary** Frederick Carl Eiselen,Edwin Lewis,David George Downey,1929
