The Apocalypse Code Hank Hanegraaff, 2023-08-22 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today s world Provocative and passionate this fascinating book is a must read for everyone who s interested in end times controversies Lee Strobel Author *The Case for the Real Jesus* This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the *Left Behind* series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School

Prophecies of the Apocalypse Robert Rite,2015-03-24 Did you know that all of the hundreds of prophecies foretold by the ancient prophets up to this time have all come to pass They have and only those prophecies that point to the very time of the end remain to be fulfilled All it takes is to watch just one session of the evening and or world news to realize that everything is not quite well down here on planet earth Yet so many believe the lie that the coming apocalypse is all just science fiction and that mankind and its appointed leaders can keep it all together if we all just learn to get along and hold hands Not only does history prove this has never happened but the prophecies are clear that it won t that the day of reckoning is rapidly approaching Some world leaders have even hinted recently that World War III has already started in diverse parts of the world Just like WW II most of the world seems oblivious to the storm clouds until it reaches our backyard Despite years of

searching I never found a book that listed most or all of the key end time prophecies So I decided to create one for you Finally you can learn all of the prophecies from the ancient prophets in one book from A to Z The bible is loaded with end time prophecies from both the Old and New Testament You will discover hundreds of these predictions and revelations all in one book We are living in perilous times this book will help you understand and discern the signs of the times Countdown to the Apocalypse Grant R. D.,2007 End of the World Erika Grey,2013-10-11 For Bible Prophecy watchers the book of Revelation is the main Biblical book for gauging the end time No book in the Bible is more frightening than the Revelation The entire book is devoted to the end of the world detailing God s judgments unleashed onto the earth plague by plague Revelation is the last book of the Bible and is a prophetic book It forecasts the apocalypse which means the final destruction of the world with events of catastrophic scale Part of the Earth s judgments happen through a world dictator Bible Scholars refer to as the Antichrist End of the World The Revelation Prophecy provides an overview of the book of Revelation while also correlating Bible Prophecy to current events to help the reader understand how close we now are to the fulfillment of the Revelation prophecy Written by author and prophecy expert Erika Grey Erika focuses on current affairs the EU and its relation to Bible Prophecy and issues that affect individuals living in these end times *Revelation* Peter Lorie,1994 From the author of the enormously successful Nostradamus The End of the Millennium and Nostradamus The Millennium and

Rainbow, 2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding *Revelation* Judith Kovacs, Christopher Rowland, 2013-04-01 This ground breaking commentary on The Revelation to John the Apocalypse reveals its far reaching influence on society and culture and its impact on the church through the ages Explores the far reaching influence of the Apocalypse on society and culture Shows the book s impact on the Christian church through the ages Looks at interpretations of the Apocalypse by theologians ranging from Augustine to late twentieth century liberation theologians Considers the book s effects on writers artists musicians political figures visionaries and others including Dante Hildegard of Bingen Milton Newton the English Civil war radicals Turner Blake Handel and Franz Schmidt Provides access to material not readily available elsewhere Will appeal to students and scholars across a wide range of disciplines as well as to general readers More information about this series is available from the Blackwell Bible Commentaries website at <http://www.bbibcomm.net> **The Apocalypse** Joseph A. Seiss, 2007-03-01 Originally published in three volumes from 1870 to 1884 J A Seiss s lectures on the Apocalypse were among the first popular works based upon the futurist interpretation of Revelation Considered by modern evangelical scholars to be among the most influential the collected lectures have been called a monumental work thoroughly scholarly and spiritual and the highest type of scholarship For Bible students teachers and Christians of all types this is the work to turn to for understandable in depth explanations of the most intriguing book of the Bible American Lutheran pastor JOSEPH AUGUST SEISS 1823 1904 was born in Maryland and served congregations in Virginia Maryland and Pennsylvania In addition to his translations of hymns from the original German he also authored numerous books including The Gospel in the Stars and The Great Pyramid A Miracle in Stone **Commentary on Revelation** Ethelbert Bullinger, 2007-03-01 With a surprising number of people professing a belief that we are living in the Biblical End Times this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever Analyzing the

final chapters of the Bible on a verse by verse basis and finding much to be contentious about particularly when it comes to other interpretations of the book Bullinger reveals a powerful devotional way to approach Revelation British clergyman ETHELBERT WILLIAM BULLINGER 1837 1913 was one of the most respected Bible scholars of the 19th century He is author of numerous works including Great Cloud of Witnesses and How to Enjoy the Bible *The Apocalypse Deception* Fred Harding, 2016-10-19 THE EXPLOSIVE EXPOS OF THE BOOK OF REVELATION IN WHICH FOR ALMOST 2000 YEARS CHRISTIANS HAVE BEEN FOOLED BY A MONSTROUS DECEPTION The Apocalypse also known as the Book of Revelation is the last book of the New Testament It begins with these words The Revelation of Jesus Christ which God gave unto him to show unto his servants things which must shortly come to pass and he sent and signified it by his angel unto his servant John Who bare record of the word of God and of the testimony of Jesus Christ and of all things that he saw Revelation 1 1 KJV Those words are not those of Jesus Christ contrary to the claims of its author Transmitted through an unnamed angel they are part of a monstrous deception that has plagued Christianity ever since they were first penned Furthermore contrary to popular belief the Apocalypse was not written by John the Apostle the son of Zebedee nor is it This book expands upon the scholarly work The Apocalypse written by R H Charles in 1920 the famous scholar widely recognised as the greatest authority of his time in matters of Jewish eschatology and apocrypha His translations of the Book of Enoch and the Testaments of the Twelve Patriarchs especially are still widely used Do not be deceived The Apocalypse was rejected for seven hundred years by the churches of Asia Minor where the book originated and with good reason The book of Revelation unleashes a vision of a gore fest at the End of Time a relentless apocalyptic nightmare badly written repetitive and self contradictory In chapter after chapter it details outlandish horrors the supposed fate that imminently will befall the enemies of God As you will discover if you dare to read this book these are not the words of Jesus Do not be scared of the horrors described in the Apocalypse because the prophecies therein described were made by a false prophet and they are completely untrue Instead one should rely on the prophecies as told by Jesus in the Gospels and the prophets of the Hebrew scriptures such as that of Daniel Ezekiel Zechariah Micah and Isaiah to provide the information that we need understand this great event in human history The Second Coming of Christ and the Kingdom of God Who then wrote the Apocalypse He is the same person that John the Elder confronted in the Roman Baths of Ephesus and called the enemy of the Truth If as I will show that the Book of Revelation was written by this person then clearly he is an enemy of the Truth the Apocalypse cannot be included the Christian Canon of the New Testament Now take heed of a prophecy that Jesus made about a future time after his crucifixion Watch out that you are not deceived For many will come in my name claiming I am he and The time is near Do not follow them Luke 21 8 Do not follow anyone who says the time is near Jesus says Do not be deceived he says Yet this is exactly what the writer of the Apocalypse says Do not seal up the words of the prophecy of this scroll because the time is near Revelation 22 10 As a Christian as long as you adhere to the words of Jesus and the Apostles recorded in the Gospels and the other

writings of the New Testament then the council of John the Elder the disciple that Jesus loved and the author of the Fourth Gospel will serve you well Quoting the words of Jesus If you continue in My word you are truly My disciples Then you will know the truth and the truth will set you free John 8 32 May this book set you free but this it will not do unless you are willing look past your prejudices seek the truth and read it You will not regret it if you do
