Cracking The Gnostic Code The Powers In Gnosticism

Andrea Lorenzo Molinari

Cracking The Gnostic Code The Powers In Gnosticism:

Cracking the Gnostic Code Walter Wink, 1993 *Cracking the Gnostic Code* Walter Wink, 1993 **Heresy and Identity in Late Antiquity** Eduard Iricinschi, Holger M. Zellentin, 2008 The papers collected in this volume shift the focus away from heretics and heresy to heresiological discourse by contextualizing the late antique Jewish and Christian groups that produced our extant literature The contributors to the volume draw from multiple literary corpora and genres bringing a variety of late antique perspective to explore the discursive construction of the Other They unravel ethnic identities and re create the multiple voices textured in the dialogue between the orthodox and heretical writers **BOOK JACKET** **The Impact of Ethnic, Political, and Religious Violence on Northern Nigeria, and a Theological Reflection on Its Healing** Sunday Bobai Agang, 2011-09-07 This publication seeks to challenge established thinking about the causes of violence in Northern Nigeria It explores immediate and long term effects of that violence through reflection study and survey of previous research The fundamental argument within is that ethnic political and religious violence has affected Christian perspectives and core values and thus has hampered efforts towards just peacemaking *The Zondervan Encyclopedia of the Bible, Volume 2* Zondervan, 2010-08-10 Revised edition Volume 2 of 5 The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years Now thoroughly revised this new five volume edition provides up to date entries based on the latest scholarship Beautiful full color pictures supplement the text which includes new articles in addition to thorough updates and improvements of existing topics Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines themes and biblical interpretation The goal remains the same to provide pastors teachers students and devoted Bible readers a comprehensive and reliable library of information More than 5 000 pages of vital information on Bible lands and people More than 7 500 articles alphabetically arranged for easy reference Hundreds of full color and black and white illustrations charts and graphs 32 pages of full color maps and hundreds of black and white outline maps for ready reference Scholarly articles ranging across the entire spectrum of theological and biblical topics backed by the most current body of archaeological research 238 contributors from around the world **Theology and Star Trek** Shaun C. Brown, Amanda MacInnis Hackney, 2023-05-22 After Star Trek Enterprise concluded in 2005 Star Trek went on hiatus until the 2009 film Star Trek and its sequels With the success of these films Star Trek returned to the small screen with series like Discovery Picard and Strange New Worlds These films and series in different ways reflect cultural shifts in Western society Theology and Star Trek gathers a group of scholars from various religious and theological disciplines to reflect upon the connection between theology and Star Trek anew The essays in part one These are the Voyages explore the overarching themes of Star Trek and the thought of its creator Gene Roddenberry Part two Strange New Worlds discusses politics and technology Part three To Explore and to Seek focuses on issues related to practice and formation Part four To Boldly Go contemplates the future of Star Trek **Reincarnation in Jewish Mysticism and Gnosticism** Dina Ripsman

Eylon,2003 This study demonstrates that the rabbinic belief system regarding the afterlife and the human soul was the paramount influence on the development of the doctrine of reincarnation that was crystallized in the Sefer ha Bahir The Book of Clarity Illumination a 12th century work written in Hebrew and Aramaic Prior research has noted the great impact Gnosticism had on early Jewish mysticism in general and the Sefer ha Bahir in particular The analysis of the talmudic and midrashic sources presents a broad spectrum of ideas concerning the eternity and immortality of the soul the nature and characteristics of the soul and the notions of the resurrection of the dead and reincarnation These ideas brought together in the study as a systematic theology reveal a fairly developed tradition that was probably known to the author or editor of the Sefer ha Bahir **Toronto Journal of Theology** ,1995 The Catholic Biblical Quarterly Wendell Stephen Reilly,1995 Includes various reports of the Association **The Gospel of Mary of Magdala** Karen L. King,2003 Lost for more than fifteen hundred years the Gospel of Mary is the only existing early Christian gospel written in the name of a woman Karen L King tells the story of the recovery of this remarkable gospel and offers a new translation This brief narrative presents a radical interpretation of Jesus teachings as a path to inner spiritual knowledge It rejects his suffering and death as a path to eternal life and exposes the view that Mary Magdalene was a prostitute for what it is a piece of theological fiction The Gospel of Mary of Magdala offers a glimpse into the conflicts and controversies that shaped earliest Christianity Critical Review of Books in Religion ,1994 The Acts of Peter and the Twelve Apostles (NHC 6.1) Andrea Lorenzo Molinari,2000 *The Formation of the Biblical Canon: Volume 2* Lee Martin McDonald,2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical canon the emergence of the list of individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In the first volume McDonald reexamines issues of canon formation once considered settled and sets the range of texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them This second volume considers the New Testament and the range of so called apocryphal gospels that were written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole *Jesus in the Nag Hammadi Writings* Majella Franzmann,1996 Many of the Nag Hammadi writings are considered heretical and therefore not valid sources for traditions about the founder Jesus Majella Franzmann however shows that it is a mistake to believe that Christianity was a homogeneous entity from the first and that the only valid

traditions about the founder are preserved by those early Christians who became the dominant mainstream group The whole range of early Christian movements including the Gnostic Christian movements cannot be separated and identified simply as orthodox or heretical from the beginning The Nag Hammadi texts were discovered in 1945 near Luxor in Egypt From these writings Majella Franzmann presents a fascinating and radically different portrait or series of portraits of Jesus and of the world into which he came Majella Franzmann's work advances our whole understanding of the origins development and present identity of Christians and Christianity

The Biblical Canon Lee Martin McDonald, 2006-11-01 Selected for inclusion in Preaching magazine's Annual Review of Outstanding Books for Preachers 2006 This is the thoroughly updated and expanded third edition of the successful *The Formation of the Christian Biblical Canon* It represents a fresh attempt to understand some of the many perplexing questions related to the origins and canonicity of the Bible

Catholic Social Thought: Twilight or Renaissance? Jean-Marc Rosenstiehl, Michael Kaler, 2005 Dans sa deuxième lettre aux Corinthiens l'apôtre Paul mentionne qu'autrefois il a été ravi aux cieux sans donner de détails Cette brève allusion à une ascension céleste a suscité la curiosité de générations de lecteurs et quelques uns d'entre eux voulant combler les lacunes du texte paulien ont inventé leurs propres récits de ce qui s'est passé pendant ce voyage céleste Un de ces récits la *Visio sancti Pauli* a connu une grande fortune dans l'antiquité tardive et au Moyen âge et a exercé une influence considérable sur la création de la Divine comédie de Dante Il existe d'autres récits analogues parmi lesquels se trouve l'Apocalypse de Paul conservée dans une version copte et d'origine gnostique récit beaucoup plus obscur que la *Visio* mais tout aussi fascinant Son auteur utilise de façon pleinement consciente la tradition judéo-chrétienne des apocalypses d'ascension une tradition constituée de textes qui racontent l'ascension aux cieux d'un visionnaire L'Apocalypse de Paul se sert des motifs de cette tradition pour construire son propre récit La seule copie de cette Apocalypse de Paul qui nous soit parvenue se trouve dans le cinquième codex de la bibliothèque de Nag Hammadi D'une importance considérable pour quiconque s'intéresse aux écrits pauliniens ou apocalyptiques ce texte possède en lui-même un charme certain Le présent volume contient une nouvelle édition du texte copte accompagné d'une traduction française d'une ample introduction d'un commentaire exhaustif rédigé en anglais et d'un index copte et grec copte il offre l'analyse la plus complète de ce jour de cet écrit L'auteur de commentaire propose de voir dans l'Apocalypse de Paul un ouvrage de propagande valentinien rédigé pour convaincre ses lecteurs de la domination du dieu créateur alors que l'auteur de l'introduction adopte un point de vue différent

Film and Philosophy , 2003

The Once and Future Jesus Robert Walter Funk, John Dominic Crossan, Marcus J. Borg, 2000 *The Once and Future Jesus* by John Shelby Spong 2000 ISBN 3-89500-095-7 Stephen Emmel, 1999
