**Following Your Treasure Map** Nicholas J. Mason, Ph.D., 2001-06-20 A practicing specialist in the health and education fields for over thirty five years Nicholas J Mason Ph D has typically worked with clients who feel lost in the bewildering environment of their lives They say they don t know what they feel or what they want from life They are unclear about where they are going and they don t know for sure where they have been These clients complain of feeling helpless out of control confused disoriented and generally unhappy They are not fulfilled souls They need a treasure map to lead them back to a more productive and satisfying path Other clients feel comfortable with their personal lives but have conflicts at work or difficulty getting their careers on track Some are happy enough personally and professionally but want to eliminate destructive habits or gain greater control over their bodies Some feel they know what they need to do but lack motivation Others have severe health problems They all would prosper from a treasure map that would show them the most productive way to achieve whatever is best for them in whatever realm of life where they require it Dr Mason has developed such a comprehensive Treasure Map to create gratifying lifestyles Specifically the Treasure Map reveals that by maintaining heightened conscious awareness respecting our bodies and spirits and invoking the powers of our subconscious we can learn what we really really want in life and use that knowledge to reach our optimum levels of fulfillment In his experience Dr Mason has found that people who accept this principle and develop the skills to put it into practice solve many of their problems and greatly enhance the quality of their lives Therefore the book s primary purpose is to show readers how to create a lifestyle that enables them first to recognize and then realize their deepest ambitions After the introductory chapters readers learn how to use their Treasure Map to achieve autonomy and optimize health careers and relationships Each chapter presents anonymous case studies from Dr Mason s practice and includes specific exercises and practical techniques

as well as narrative explanations      **Over 50 and Motivated** Brian E. Howard, 2017-04-01 Book Three in Motivated Series by Brian E Howard It happened It may have been a surprise or it could have been anticipated but at this point what does it matter You lost your job Or the frustrations at your current job have hit the boiling point You just can't take it anymore In either case change is inevitable But you're over the age of 50 and intellectually or intuitively you know your age could be a factor in your job search and you are right There are age related biases that exist in the job market that will work against you According to government statistics job seekers over 50 encounter more difficulty in getting new jobs and suffer notably longer unemployment than their younger counterparts But these statistics do not have to apply to you First immediately stop with the worry and negative thinking You're in a better position than you think There are employers out there that not only will hire you they are looking for you The key is to find them sell them on you and get them to hire you It's not as hard as you may think In the **Over 50 and Motivated** Brian E Howard will teach you a systematic approach for conducting a real world job search based on years of frontline recruiting experience helping thousands of tenured job seekers just like you He will teach you how to effectively conduct a job search in today's job market and techniques to successfully combat age biases He will show you how to get job offers and your next fulfilling career position Help is at your fingertips      **Electronic Resumes for the New Job Market** Peter D.
