Product information not available      **Exhibiting the Past** Frederik Herman, Sjaak Braster, María del Mar del Pozo  
Andrés, 2022-12-19 With respect to public issues history matters With the worldwide interest for historical issues related with gender religion race nation and identity public history is becoming the strongest branch of academic history This volume brings together the contributions from historians of education about their engagement with public history ranging from musealisation and alternative ways of exhibiting to new ways of storytelling      **The Oral History Reader** Robert Perks, Alistair Thomson, 1998 Arranged in five thematic parts The Oral History Reader covers key debates in the post war development of oral history      The American Indian Oral History Manual Charles E. Trimble, Mary Kay Quinlan, Barbara W. Sommer, 2016-07-01 Oral history is a widespread and well developed research method in many fields but the conduct of oral histories of and by American Indian peoples has unique issues and concerns that are too rarely addressed This essential guide begins by differentiating between the practice of oral history and the ancient oral traditions of Indian cultures detailing ethical and legal parameters and addressing the different motivations for and uses of oral histories in tribal community and academic settings Within that crucial context the authors provide a practical step by step guide to project planning equipment and budgets and the conduct and processing of interviews followed by a set of examples from a variety of successful projects key forms ready for duplication and the Oral History Association Evaluation Guidelines This manual is the go to text for everyone involved with oral history related to American Indians      *The Oral History Manual* Barbara W. Sommer, Mary Kay Quinlan, 2009-06-16 Guides readers through the process of doing oral history      People and their Pasts P. Ashton, H. Kean, 2008-12-11 In this innovative and original collection people are seen as active agents in the development of new ways of understanding the past and creating histories for the present Chapters explore forms of public history in which people's experience and understanding of their personal national and local pasts are part of their current lives      Archives and Public History, 1986 According to guest editor Bruce Dearstyne this special issue of The Public Historian explores and analyses recent developments in the archival world for the benefit of the public history community Six eminent American archivists and one distinguished Canadian professional portray archival developments in their respective countries over the past decade and delineate the boundaries establishing archival endeavours as separate from but related to public history
