

# Ideal LSAT Study Schedule

## 2 Months

You either need to improve by only a few points, or you are naturally smart enough to ace the LSAT. Other than that, a 2-month long study schedule is not ideal for students who need to improve by more than 5 points.

## 3 - 5 Months

This is the standard length of time that most students choose to prepare for the LSAT. A study plan that is between 3 and 5 months long will allow you plenty of time to improve your score and become comfortable with the test.

## 6+ Months

A study plan that is more than 6 months long is perfect for those who want to take it easy and study part-time. It is also ideal for those who are really struggling with achieving their target score and need a bit more time to improve.
