Crash Course For Molly:

A Crash Course for Molly, 2005 When Molly keeps crashing her bicycle into things her grandmother sees to it that she gets instruction in riding **A Crash Course for Molly** Eva Eriksson, 2005 Although Molly is big enough and smart enough to ride a bike there are still things she needs to learn **Molly's Milestone** Marlys Beider, 2024-05-27 Thirty year old Molly Miraldo is trapped in a shroud of amnesia caused by a traumatic accident at the age of four Raised by her narcissistic grandfather and philandering father she relies on their words as they insist her mother and twin perished under mysterious circumstances soon after they abandoned her Everything changes when an enigmatic phone call disrupts Molly's fragile existence a voice from the past reveals her mother and twin are alive But as she embarks on a journey of truth the illusions carefully constructed around her shatter and fragments of a forgotten childhood begin to surface When she realizes her grandfather and father orchestrated a web of deceit to hide their own crimes a tapestry of horrors and secrets emerges Molly's quest to reclaim her stolen memories not only unearths the sinister motives behind her family's lies but as each layer peels away the truth is more devastating than the memories she longs to recover Will she find redemption or will darkness consume her as she navigates the painful path to self discovery Molly's Milestone is a gripping psychological mystery exploring family and the treasures awaiting those who dare to pursue its challenging truths **The Easter Rising 1916 - Molly's Diary** Patricia Murphy, 2016-05-10 Easter 1916 The Great War rages in Europe with two hundred thousand Irishmen fighting in the British Army But a small group of Irish nationalists refuse to fight for Britain and strike a blow for Irish freedom Caught up in the action in Dublin is twelve year old Molly O Donovan Her own family is plunged into danger on both sides of the conflict Her father a technical officer with the Post Office dodges the crossfire as he tries to restore the telegraph lines while her wayward brother runs messages for the rebels Molly a trained First Aider risks her own safety to help the wounded on both sides As violence and looting erupts in the streets of Dublin alongside heroism and high ideals Molly records it all The Proclamation at the GPO the battle of Mount Street the arrival of the British Troops But will Molly's own family survive and will she be able to save her brother This is her diary **Fact or Fiction?** Marcella Bowlen, 2016-07-11 This is a story of one woman's journey from a sea of great sorrow to the land of the free After years of spiritual oppression from generational curses and the loss of many loved ones this woman found a way to beat all the odds Fighting tormenting spirits of depression unclean spirits of addiction and evil spirits of suicide she found her inner strength Through trials and tribulations she found triumph Through soul ties and severed ties she found wisdom With a broken heart and a broken spirit she found beauty in the breaking This book is a must read for anyone who has ever suffered from spiritual oppression and wants to find a way to be set free **The WINNERS! Handbook** Judy Freeman, 2006-04-30 Freeman has developed a comprehensive handbook with thoroughly annotated lists of the 2005's best children's books lesson plans teachers guides stories songs and Internet resources It includes an index **Homoplot** Esther Saxey, 2008 Homoplot analyses the lesbian

gay and bisexual coming out story in fiction and autobiography from the late 1960s to the present day These stories are recognised as an invaluable record of lesbian gay or bisexual life However this book illuminates their equally vital role as active tools in the arduous project of creating gay lesbian and bisexual identities constructing the identities they seem to describe Homoplot shows how a popular twist of the plot or a single common character trait can be a powerful intervention into sexual politics Approaching these texts with the tools of queer criticism the book celebrates their success but also illuminates their chief problem how the need to create concrete sexual identities has often narrowed the range of queer experiences represented Despite the ongoing popularity of coming out stories this is the first book length study of the genre Homoplot surveys hundreds of examples including in depth readings of authors such as Jeanette Winterson Dorothy Allison Rita Mae Brown Oscar Moore Paul Monette and Aaron Fricke and provides an incisive account of the genre s defining features The book is essential reading for anyone considering queer literature or lesbian gay and bisexual identity in the twentieth century and beyond Researchers and students considering life history and autobiography will also benefit from its analysis of feminist and queer politics
