Crawling Eye:

Revenge of the Movie Monster Models Mark C. Glassy, 2024-05-07 Science fiction and fantasy movies of the 20th century feature many iconic figures and monsters and the ability to create and own many of them in the form of models provides fans with an opportunity to mingle amongst the greats and not so greats This book is a collection of figures and dioramas of monsters from both science fiction and fantasy films Models are presented in chronological order decade by decade starting with films in the silent era and running through the end of the century The building and painting of the figures and dioramas of various scenes from these films some more accurately than others provides an opportunity to preserve key moments in these movies *The Comic Galaxy of Mystery Science Theater 3000* Chris Morgan, 2015-01-09 One of the most original shows in the history of television Mystery Science Theater 3000 is a beloved cult hit built on the back of another cult phenomenon the bad movie The show's premise involved a man and some robots watching cheesy movies and cracking jokes Over its 197 episodes MST3K developed a passionate fan base that took it from a local UHF show in Hopkins Minnesota to a major motion picture This is the story of MST3K from the beginning to the end Twelve of the episodes are covered giving an in depth look at the show's ethos and its comedic style The films screened in these episodes are discussed critically as are the episodes themselves "Twice the Thrills! Twice the Chills!" Bryan Senn, 2019-02-28 In the mid 1950s to combat declining theater attendance film distributors began releasing pre packaged genre double bills including many horror and science fiction double features Though many of these films were low budget and low end others such as *Invasion of the Body Snatchers* *Horror of Dracula* and *The Fly* became bona fide classics Beginning with Universal International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra* 147 officially sanctioned horror and sci fi double bills were released over a 20 year period This book presents these double features year by year and includes production details historical notes and critical commentary for each film *Keep Watching the Skies!* Bill Warren, 2009-11-30 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986 It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film In addition to a detailed plot synopsis full cast and credit listings and an overview of the critical reception of each film Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making The book contains 273 photographs many rare 35 in color has seven useful appendices and concludes with an enormous index This book is also available in softcover format ISBN 978 1 4766 6618 1 **Hell's Playground** Ida Vera Simonton, 1912 *The Complete Poems of Robert Herrick* Robert Herrick, 1876 *Hesperides, the poems and other remains of R.
