## **Crazy Jane:**

The True History of Crazy Jane, Etc. [A Chapbook.] Crazy JANE, 1800\*      **Critical Companion to William Butler Yeats** David A. Ross, 2014-05-14 Examines the life and writings of William Butler Yeats including a biographical sketch detailed synopses of his works social and historical influences and more      **Conversing Identities** Konstantina Georganta, 2012-01-01 *Conversing Identities* Encounters Between British Irish and Greek Poetry 1922 1952 presents a panorama of cultures brought in dialogue through travel immigration and translation set against the insularity imposed by war and the hegemony of the national centre in the period 1922 1952 Each chapter tells a story within a specific time and space that connected the challenges and fissures experienced in two cultures with the goal to explore how the post 1922 accentuated mobility across frontiers found an appropriate expression in the work of the poets under consideration Either influenced by their actual travel to Britain or Greece or divided in their various allegiances and reactions to national or imperial sovereignty the poets examined explored the possibilities of a metaphorical diasporic sense of belonging within the multicultural metropolis and created personae to indicate the tension at the contact of the old and the new the hypocritical parody of mixed breeds and the need for modern heroes to avoid national or gendered stereotypes The main coordinates were the national voices of W B Yeats and Kostas Palamas T S Eliot's multilingual outlook as an Anglo American m toikos C P Cavafy's view as a Greek of the diaspora displaced William Plomer's portrayal of 1930s Athens Demetrios Capetanakis journey to the British metropolis John Lehmann's antithetical journey eastward as well as Louis MacNeice's complex loyalties to a national identity and sense of belonging as an Irish classicist translator and traveller      *The History of Crazy Jane. An Affecting Tale. [A Chap-book.]*. Crazy JANE, 1820\*      *Wallace's Year Book of Trotting and Pacing* United States Trotting Association, 1914      *Wallace's Year-book of Trotting and Pacing in ...* John Hankins Wallace, 1906      **A Concordance to the Poems of W.B. Yeats** Stephen Maxfield Parrish, 2019-06-30 Now it is possible for the first time to trace in a systematic way the language patterns of one of the greatest poets who have written in English W B Yeats Like A Concordance to the Poems of Matthew Arnold the first of the Cornell Concordances that are under the general editorship of Professor Parrish this volume was produced on an IBM 704 electronic data processing machine Computer technique has so advanced that the Yeats concordance includes punctuation and gives cross references for the second parts of hyphenated words The frequency of every word in Yeats's poems is given and an appendix lists all indexed words in order of frequency The body of this book consists of an index of all significant words in Yeats each word listed in the line or lines in which it occurs The concordance is based on the variorum text of Yeats edited by Alspach and Allt and includes all variants that occur in printed versions of Yeats's poems      *The Poets of Rapallo* Lauren Arrington, 2021-07-08 A new story about the relationships between major twentieth century English language poets Why did poets from the United States Britain and Ireland gather in a small town in Italy during the early years of Mussolini's regime These writers were or became some of the most famous poets of the

twentieth century What brought them together and what did they hope to achieve The Poets of Rapallo is about the conversations collaborations and disagreements among Ezra and Dorothy Pound W B and George Yeats Richard Aldington and Brigit Patmore Thomas MacGreevy Louis Zukofsky and Basil Bunting Drawing on their correspondence diaries drafts of poems sketches and photographs this book shows how the backdrop of the Italian fascist regime is essential to their writing about their home countries and their ideas about modern art and poetry It also explores their interconnectedness as poets and shows how these connections were erased as their work was polished for publication Focusing on the years between 1928 and 1935 when Pound and Yeats hosted an array of visiting writers this book shows how the literary culture of Rapallo forged the lifelong friendships of Richard Aldington and Thomas MacGreevy both veterans of the First World War and of Louis Zukofsky and Basil Bunting who imagined a new kind of democratic poetry for the twentieth century In the wake of the Second World War these four poets all downplayed their relationship to Ezra Pound and avoided discussing how important Rapallo was to their development as poets But how did these democratic poets respond to the fascist context in which they worked during their time in Rapallo The Poets of Rapallo discusses their collaboration with Pound their awareness of the rising tide of fascism and even in some cases their complicity in the activities of the fascist regime The Poets of Rapallo charts the new direction for modernist writing that these writers imagined and in the process it exposes the dark underbelly of some of the most lauded poetry in the English language *Wallace's Year-book of Trotting and Pacing in* ,1907 [A Yeats Dictionary](#) Lester I. Conner,1999-01-01 This is the first dictionary to identify chart and explain in context the many proper names and place names that so famously enrich the poetry of William Butler Yeats and just as famously anchor that poetry to Ireland In compiling this work Lester I Conner has relied upon Yeats s own prose the principal Yeats criticism and the writings of Yeats s friends and critics The result is a work that warmly ushers us into the poems where we find we are not strangers after all **American and British Poetry** Harriet Semmes Alexander,1984 **The Tragical History of Miss Jane Arnold, Commonly Called Crazy Jane, and Mr. H.
