## **Crazy Rhythm:**

**Nixon in New York** Victor Li, 2018-04-02 Richard Nixon's loss in the 1962 gubernatorial election in California was more than just a simple electoral defeat. His once promising political career was in ruins as he dropped his second high profile race in as many years. Nixon himself rubbed salt in his own self-inflicted wounds by delivering a growling bitter concession speech that made him seem like a sore loser. In the months following his defeat and self-immolation, he left California to move to New York so that he could work for a prestigious Wall Street law firm. His new career only seemed to confirm what everyone already knew: Richard Nixon was finished as a politician. Except he wasn't. Nixon's political resurrection was virtually unprecedented in American history. Role and he had his law firm to thank for paving his way to the White House. His role as public partner at Nixon Mudge Rose Guthrie Alexander was the ideal platform for him as he looked to reinvent himself after his back-to-back losses in 1960 and 1962. Nixon's firm gave him access to deep-pocketed clients, many of whom became donors when he decided to take the plunge in 1968. Furthermore, working for so many international clients allowed him to travel the world and burnish his foreign policy credentials, a vital quality that voters were looking for as the Cold War raged on and the Vietnam War showed no signs of slowing down. Nixon's time at the firm also allowed him to build a formidable campaign staff consisting of top-notch lawyers, researchers, and writers, a staff that did just about everything for him when it came time to ramp up for the 1968 campaign. **Crazy Rhythm** Lionel Hampton, 2001 **Crazy Rhythm** Joseph Meyer, 1928 Crazy Rhythm Max Brand, 2019 **The Poets of Tin Pan Alley** Philip Furia, Laurie J. Patterson, 2022

From the turn of the century to the 1960s, the songwriters of Tin Pan Alley were synonymous with American popular music. Irving Berlin, Cole Porter, George and Ira Gershwin, Rodgers and Hart, even today, these giants remain household names. Their musicals regularly revived their methods and styles, analyzed and imitated, and their songs the bedrock of jazz and cabaret. In this new edition of *The Poets of Tin Pan Alley*, authors Philip Furia and Laurie Patterson offer a unique perspective on these great songwriters, showing how their poetic lyrics were as important as their brilliant music in shaping a golden age of American popular song. Furia and Patterson continue the tradition of great perception and understanding established in the first edition as they explore the deft rhymes, inventive imagery, and witty solutions these songwriters used to breathe new life into rigidly established genres. They devote full chapters to such greats as Irving Berlin, Lorenz Hart, Ira Gershwin, Cole Porter, Oscar Hammerstein II, Howard Dietz, E. Y. Harburg, Dorothy Fields, Leo Robin, and Johnny Mercer. They also offer a comprehensive survey of other lyricists who wrote for the sheet music industry, Broadway, Hollywood, and Harlem nightclub revues. This was the era that produced *The New Yorker*, Don Marquis, Dorothy Parker, and E. B. White, and the book places Tin Pan Alley lyrics firmly in this fascinating historical context. In these pages, the lyrics emerge as an important element of American modernism, as the lyricists like the great modernist poets took the American vernacular and made it sing.

Metronome, 1928 **Crazy Rhythm** Leonard Garment, 2001-10-25 Leonard Garment was a successful Wall Street

attorney when in 1965 he found himself arguing a Supreme Court case alongside his new law partner former Vice President Richard Nixon. It was the start of a friendship that lasted more than thirty years. In *Crazy Rhythm* which the New York Times Book Review called an eloquent memoir, Garment engagingly tells of his boyhood as the child of immigrants and the beginning of a life-long love affair with jazz. After Brooklyn Law School, Garment went on to Wall Street where encountering Nixon changed the course of his life. *Crazy Rhythm* allows us a rare intimate look at Nixon's extraordinary tenure in the White House. More than that, the book tells stories from a life that has included close encounters with characters such as Benny Goodman and Billie Holiday, Henry Kissinger and Alan Greenspan, Golda Meir and Yasser Arafat, Giovanni Agnelli and Marc Rich, and moves like the best jazz in a writer's voice that is truly one of a kind. To quote former U.S. Senator Daniel Patrick Moynihan: "A century from now I cannot doubt Americans will still be reading *Crazy Rhythm*. This is a story of our time written for the ages."

Life, John Ames Mitchell, 1928      *MusicMaster*, Paul C. Mawhinney, 1983      Music directory with records for artists, titles, labels, and year of release for 45 RPM records published between 1947 and 1982      Western Music & Radio Trades Journal, 1928      **The New Yorker**, Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1926      **The Matriarch**, Gladys Bronwyn Stern, 1925      Viennese Jewish family settles in London      **The Matriarch Chronicles**, Gladys Bronwyn Stern, 1925      **Western Tobacco Journal**, 1929      **The Farmer & Stock-breeder**, 1928      **Wireless World**, 1929      **The Wireless World and Radio Review**, 1929      **Wireless World and Radio Review**, 1929      Catalog, Sears, Roebuck and Company, 1928      **Music Lovers' Phonograph Monthly Review**, 1927
