Create Your Own Future Alternatives For The Long Range Planning Committee:

Wisdom from Lyle E. Schaller Lyle E. Schaller, 2012-10-01 One poll declared him the most influential American church leader of the last 100 years Lyle E Schaller has written literally millions of words of insight and advice for church leaders His books alone number nearly 60 titles and span 40 years of publication beginning in 1964 Now this single volume makes available his best insights organized by topic and framed with fascinating background perspective of Schaller himself This volume both introduces Schaller to a new generation of church leaders and is a handy resource for those who grew up on Schaller s writing and count him as a major ministry influence **Create Your Own Future!** Lyle E. Schaller, 1991 This book is for church leaders both clergy and lay who seek to challenge the status quo and implement change in their congregations Schaller s plan of intervention suggests that the long range planning committee is the most effective vehicle of change He systematically addresses the issues this committee faces such as knowing when to intervene how to decide which issues to tackle how to face financial concerns when to implement the plan and how to overcome resistance Key Features Involves volunteer leaders in planning for future Suggests long range planning committee as a vehicle for change Presents a plan for implementing change in a congregation Key Benefits Addresses demands for higher quality congregational life Discusses when to choose tradition or new approaches Explains when to study and when to act Shows how to implement a plan Illustrates how to overcome resistance **44 Steps Up Off the Plateau** Lyle E. Schaller, 1993 Schaller defines a plateau as a stagnant holding point in the size and energy of a congregation a level at which energy is focused entirely on maintenance of past structures He shows how to move a long established congregation up off a plateau in size and explains the three most important steps Brings together in one volume Schaller s comprehensive analysis of a difficult subject
