Created for Purpose Guillermo Maldonado, 2019-09-24 You are no accident Your presence on this earth is not a mistake Neither is it insignificant On the contrary you are wanted here and needed You are a creation of God with a unique purpose Many people do things to try to gain acceptance by others so that they can be someone They become slaves to public opinion and never really know who they were meant to be When we know that we are God's beloved children chosen from the foundation of the world and discover who He designed us to be we will think and act from that perspective Everything else will develop from our identity and existence in Him That identity goes beyond even our personal purpose to God's eternal plans for the world and our exciting role in them God created all human beings to have dominion over the earth And He has assigned each of us a portion of territory where we can exercise the measure of our dominion on earth This dominion is based on the faith anointing and gifts He has given us Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom This territorial power is not merely symbolic It is a reality in which we must live The territory in which we are to be fruitful is not random or general but specific In *Created for Purpose* you will discover God's plan for your life as a loved and valuable member of His creation what it means to be called by God and how to know and live in your purpose throughout your life You are not an accident You are present on this earth for a significant reason Find out who you were meant to be
