Appropriate for all ages. **The Daemonic Companion** Baal Kadmon, 2015-08-21. What you are about to read is not for the faint of heart. You will be creating a powerful spiritual entity. An entity that will know you better than you know yourself. It will know all your secrets, your weaknesses and your strengths. It will also be your servant. It will do whatever you tell it to do. Both for good or ill. Although it is you who will create it, its energy and life force traces back deep into primordial time. People throughout history and even to this day call upon these entities for help. They aren't quite Gods, they aren't quite angels. They are Daemons, entities that live between the veil of the spirit and the earth, between the mundane and the esoteric. They are self-existent and yet created by all of us. Many use Daemons yet do not know they do so. In this book, you will learn how to create AND or tap into benign and malevolent Daemons. As I said before, this isn't for the faint of heart. You will be creating a being of immense power that will serve you, but it must be contained. You have been warned. **The Magic of Art** Taylor
