Creating The Big Game John W Heisman And The Invention Of American Football:

Creating the Big Game Wiley L. Umphlett,1992-10-26 John W Heisman 1869 1936 was a man of many faces whose public image has suffered from a diffused enigmatic and mostly misunderstood private personality Since his death the popular reception of the memorial trophy named in his honor has also obscured his identity In singling out his many innovative contributions to the development of intercollegiate football this book attempts to present a true picture of Heisman as both man and coach Because he coached at schools throughout the country during some of the most eventful years in our history Heisman s life relates to significant political economic and social developments that impacted on American society as well as sports However this book is much more than the story of John Heisman s 36 year coaching career It is also the story of how an indigenous American public ritual the Big Game came about and how college football evolved into the complex problematic and highly structured big business that it is today **Creating the Big Game** Wiley L.

Reel,2023-12-15 This study shows how Clemson weaves

together the three federal charges of land grant institutions teaching specified in the Land Grant Act of 1862 research the Hatch Act of 1887 and public service the Smith Lever Act of 1914 into a high seminary of learning Clemson students and their lives here are the other major theme of this work The narrative of this institution traces the people who created it those who guided it and the people who lived under its influence and the paths they followed as they left dear old Clemson

Historical Dictionary of the Gilded Age Leonard C. Schlup,James Gilbert Ryan,2003 Covers all the people events movements subjects court cases inventions and more that defined the Gilded Age Jolly Fellows Richard Stott,2009-08-24 Stott finds that male behavior could be strikingly similar in diverse locales from taverns and boardinghouses to college campuses and sporting events He explores the permissive attitudes that thrived in such male domains as the streets of New York City California during the gold rush and the Pennsylvania oil fields arguing that such places had an important influence on American society and culture Stott recounts how the cattle and mining towns of the American West emerged as centers of resistance to Victorian propriety It was here that unrestrained male behavior lasted the longest before being replaced with a

new convention that equated manliness with sobriety and self control

The Sporting World of the Modern South Patrick B. Miller, 2002 Engaging a medley of perspectives and methodologies The Sporting World of the Modern South examines how sports map the social political and cultural landscapes of the modern South In essays on the backcountry fighter stereotypes portrayed in modern professional wrestling and the significance of Crimson Tide coaching legend Paul Bear Bryant for white Alabamians contributors explore the symbols that have shaped southern regional identities since the Civil War Other essays tackle gender and race relations in intercollegiate athletics uncover the roles athletic competitions played in desegregating the South and address the popularity of NASCAR in the southern states Pairing the action and anecdotes of good sports writing with rock solid scholarship The Sporting World of the Modern South adds historical and anthropological perspectives to legends and lore from the gridiron to the racetrack This collection with its innovative attention to the interplay between athletics and regional identity is an insightful and compelling contribution to southern and sports history

Songs of Love and Death Michael Sevastakis, 1993-05-30 This book examines eleven horror films in depth and their relationships to Romantic Gothic literary conventions mainly but not solely found in works dating from the eighteenth and nineteenth centuries To illustrate the use of these conventions in film Michael Sevastakis analyzes shots from scenes and sequences of all films discussed Due to the large quantity of horror films produced during this period the films in this book have been selected on the basis of their supernatural and preternatural content and upon four conventions predicated on fictional literary models dealing with the villain hero as Necrophile Modern Prometheus Symbol of Destiny and Tormented Hero These four sections comprise eleven chapters in addition there is an introduction and conclusion Some of the movies that are discussed include Tod Browning s Dracula 1931 and Devil Doll 1936 Karl Freund s The Mummy 1932 and Mad Love 1935 James Whale s Frankenstein 1931 and The Invisible Man 1933 Erle Kenton s Island of Lost Souls 1933 Ruben Mamoulian s Dr Jekyll and Mr Hyde 1932 and Lambert Hillyer s Dracula s Daughter 1936

Mr. B Or Comforting Thoughts About the Bison Wes D. Gehring, 1992-10-21 With the cooperation of Benchley family members and using diaries and correspondence and much archival material Gehring has written a fresh and lively biography of humorist Robert Benchley Known for his development of the comic anti hero in essays columns film scripts as a screen actor and on stage and radio Benchley emerges as a fascinating individual whose significance as a pivotal American humorist is fully documented Benchley s times and places including New York s Algonquin Round Table set of the 1920s and Hollywood in the 1930s and 1940s are colorfully depicted and there are interesting glimpses of friends and colleagues such as Dorothy Parker S J Perelman Donald Ogden Stewart and Groucho Marx The flavor of Benchley comes through not only in observations and anecdotes but in a section reprinting ten of his letters six of his Life Drama columns and a collage of his published comments on favorite comedians Author Gehring also provides an annotated bibliography of Benchley s books and selected shorter works and a bibliography of books and articles about him a chronology of events highlighting his life and career an annotated filmography and a selected discography Illustrations include photographs spanning Benchley s career and reproductions of his own sketches and cartoons Mindful of Benchley s warning not to get too serious over laughter Gehring has produced a thorough critical and bibliographical examination of a comic persona which is also a fond celebration

of a great humorist **The Best Books for Academic Libraries: Social sciences** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers Hollywood as Mirror Robert Brent Toplin,1993-08-18 The authors of these essays see movies as mirrors of the changes in American society They trace significant transformations in popular opinion towards outsiders particularly immigrants ethnic groups African Americans and women and observe the development of attitudes towards enemies **Religion and Sport** Charles S. Prebish,1993 Prebish offers a thoughtful look at sport as a religious experience and argues that sport has become an American religion The first section of the work contains three chapters that provide a definitional theoretical and methodological frame for examining sport as religion The five chapters that follow each written by an authority in the field treat different aspects of the religious dimension of sport These chapters represent the most important writings on sport as a religious experience and each author offers a full and thoughtful discussion rather than a cursory overview A final chapter by Prebish closes the work The first chapter of the book challenges traditional assumptions about religion and encourages the reader to reconsider what religion is The second chapter examines the difficulty of defining sport and the third probes the close relationship between sport and religion The anthology that follows contains chapters that examine religion and sport from sociological historical theological philosophical and psychological perspectives A concluding bibliography lists material for further reading
