## **Creating Inclusive Classrooms Text:**

**Creating Inclusive Classrooms** Spencer J. Salend, 2008 The sixth edition of *Creating Inclusive Classrooms Effective and Reflective Practices for All Students* goes beyond the typical inclusion text in its reflective discussions on how to teach students with varying learning abilities. The text contains all of the core information that an inclusion text requires and then takes the reader to a higher level by including issues of gender, race, ethnicity, language, socioeconomic status, and family structures.

**Creating Inclusive Classrooms MyEducationLab With Pearson Etext Standalone Access Card** Spencer J. Salend, 2010-06-15 MyEducationLab with Pearson eText Student Access Code Card to accompany *Creating Inclusive Classrooms 7 e* by Salend. Creating an inclusive classroom means understanding federal legislation as well as national and state standards, but the practical and streamlined seventh edition of *Creating Inclusive Classrooms Effective and Reflective Practices* recognizes that it means more than that. This text goes beyond the typical inclusion text, translating theory and research into practices you can use in your inclusive classroom by illustrating the principles of effective inclusion through classroom scenarios, online footage, and successful strategies. The text has the most current vision of today's inclusive classroom, which truly helps you create a successful educational experience for all students.

**Creating Inclusive Classrooms** Spencer J. Salend, 2010-08-20 Creating an inclusive classroom means understanding federal legislation as well as national and state standards, but the practical and streamlined seventh edition of *Creating Inclusive Classrooms Effective and Reflective Practices* recognizes that it means more than that. This text goes beyond the typical inclusion text, translating theory and research into practices you can use in your inclusive classroom by illustrating the principles of effective inclusion through classroom scenarios, online footage, and successful strategies. The text has the most current vision of today's inclusive classroom, which truly helps you create a successful educational experience for all students.

**New to This Edition:** NEW UDL and You features throughout the text guide you in understanding and implementing the principles of universal design to help all learners access the general education curriculum and succeed in inclusive classrooms. NEW MyEducationLab notes throughout chapters direct you to online learning experiences and examples of best practices that use video footage and IRIS simulations to illustrate chapter concepts. Updated and Reconsidered: What Would You Do in Today's Diverse Classroom features integrate interactive online learning experiences from MyEducationLab into each chapter. These end-of-chapter features take you online to see inclusive classrooms, then ask you to apply what you've learned in the chapter to the situations. NEW Up-to-date coverage of Response to Intervention (RTI) is introduced early in the text and picked up with specific classroom guidance in Chapter 12. Expanded and latest research on universal design for learning (UDL), autism spectrum disorders, co-teaching arrangements, instructional technology, differentiating instruction, Positive Behavioral Supports, student diversity, and motivation, fostering students' literacy and mathematics learning, research-based teaching strategies, assessing and grading students in inclusive classrooms, teaching and testing accommodations, building social relationships, and

implementing IEPs in inclusive classrooms This Student Value Edition is a three hole punched loose leaf version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class all at a fraction of the bound book price
