Pendergast**

Creating The Modern Man American Magazines And Consumer Culture 1900 1950

Raffaella Baritono

Creating The Modern Man American Magazines And Consumer Culture 1900 1950:

Creating the Modern Man Tom Pendergast, 2000 Pendergast traces the shift in US periodicals from Victorian masculinity which valued character integrity hard work and duty to modern masculinity which valued personality self realization and image Arguing that the rise of mass consumer culture was a key factor in the change he describes how such magazines as American Magazine Esquire and True presented masculinity in ways that reflected the magazines relationship to advertisers contributors and readers Annotation copyrighted by Book News Inc Portland OR Playboy and the Making of the Good Life in Modern America Elizabeth Fraterrigo, 2009-11-05 Launched by Hugh Hefner in 1953 Playboy promoted an image of the young affluent single male the man about town ensconced in a plush bachelor pad in constant pursuit of female companionship and a good time Spectacularly successful this high gloss portrait of glamorous living and sexual adventure would eventually draw some one million readers each month Exploring the world created in the pages of America s most widely read and influential men s magazine Elizabeth Fraterrigo sets Playboy s history in the context of a society in transition Sexual mores gender roles family life notions of consumption and national purpose all were in flux as Americans adjusted to the prosperity that followed World War II Initially Playboy promised only entertainment for men but Fraterrigo reveals that its vision of abundance pleasure and individual freedom soon placed the magazine at the center of mainstream debates about sex and freedom politics and pleasure in postwar America She shows that for Hugh Hefner the good life meant the playboy life in which expensive goods and sexually available women were plentiful obligations were few and if one worked hard enough one could enjoy abundant leisure and consumption In support of this view Playboy attacked early marriage traditional gender arrangements and sanctions against premarital sex The magazine also promoted private consumption as a key to economic growth and national well being offering tips from The Playboy Advisor on everything from high end stereos and cuff links to caviar and wine If we want to understand post war America Fraterrigo shows we must pay close attention to Playboy its messages about pleasure and freedom the debates it inspired and the criticism it drew all of which has been bound up in the popular culture and consumer society that surround us *Creating the Modern Man* Tom Pendergast, 2000 Pendergast traces the shift in US periodicals from Victorian masculinity which valued character integrity hard work and duty to modern masculinity which valued personality self realization and image Arguing that the rise of mass consumer culture was a key factor in the change he describes how such magazines as American Magazine Esquire and True presented masculinity in ways that reflected the magazines relationship to advertisers contributors and readers Annotation copyrighted by Book News Inc Portland OR **Representing the Nation** Marjorie Lee Bryer, 2003 Masculinity in the Modern West C. Forth, 2008-09-16 What does it mean to be a man To be manly How has this changed throughout history This text examines the manly stereotype which stresses courage and athletic comportment which from the 18th century onwards became representative of normative modern society America, History and Life , 2003 Provides historical coverage of the United

States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

Material Culture in America Helen Sheumaker, 2008 You can tell a lot about people by looking at their stuff the things they make process and value That is the idea that drives the field of material culture in which scholars explore the meaning of objects of a given society This book is the first encyclopedia to look at the study of material culture and what it reveals about life in the United States Jacket
