The Argument Wilbert H. Rusch,1984 Creationism Versus Evolution Eric Braun,2005 Where did humans come from and how do we teach our children about it The battle over this element of classroom curricula has been a particularly contentious debate Today a faction of creationism known as Intelligent Design has raised the stakes even further claiming to have scientific proof that life was created by an intelligent designer Creationism versus Evolution examines the debate as it has unfolded in recent years *From Goo to God* Bruce R Matson,2019-07-30 In the Colosseum of Ancient Rome it was not uncommon for Christians to be thrown to the lions This was a one sided public spectacle that was meant to intimidate Christians into complying with the social order of the day This ancient fact stands as a modern day analogy between evolution and creationism Let me explain In almost every mode of media including in our children s textbooks evolution is referred to as an unquestioned fact If anyone dares to speak against it or even mentions creation as an option they will be thrown to the lions of public disdain But much like the empire of Ancient Rome evolution will likewise crumble and Christianity will prevail **Creationism and the Conflict over Evolution** Tatha Wiley,2009-01-01 How do our current

notions of the workings of the universe fit with our deepest convictions about its meaning and value From religion we grasp the world as created given gift From science we apprehend it as evolving in process changing How do we bring these apprehensions together Or can we Is our impulse to find the two complementary creation and evolution Or is it to find them contradictory creation or evolution The way in which we answer these questions carries personal and intellectual consequences It will constitute the first piece in a worldview within which we order our religious beliefs and scientific judgments from the Preface **Creationism Vs. Evolution** University of Guelph. Dept. of Information,Hugh Lehman,Jack Pos,Susan Pfeiffer,1981 *Creation Vs. Evolution* John Jacobs,2010-02 Written for all audiences John Jacobs shares his extensive background in science and theology in an honest and unbiased manner It illuminates the dogmatic teaching that is probably going on in your church and definitively answers many controversial questions regarding creation and science In it you will learn never seen before information as to why and how the data from NASA s WMAP probe agrees with the biblical text as To The age of the universe to an accuracy of less than one percent This book is different because the author carries radiation burn scars on his hands and arms from a 35 year career in the field of electromagnetic radiation and has theology degrees from the Institute of Jewish Christian Studies and Liberty Home Bible Institute *The Battle for Genesis 1 and 2 C.*

Wesley King, 2015-06-10 Since Darwin published his theory of evolution the Church has been under constant and ever increasing pressure to compromise the truths of Creation. Disregarding scientific evidence that brings the theory into serious doubt, some Christians have proven all too accommodating in attempting to gain acceptance as viable scientists, paleontologists, archaeologists, professors of biology, geology, anthropology, etc. Theistic Evolution has now crept into Christian colleges and universities. Dr C Wesley King offers a serious examination and challenge to this union of twisted theology and science, presenting facts and naming names. He reveals how the doctrine threatens to undermine the very foundations of the Christian faith by calling into question the biblical account of creation, the lordship of the Creator, the divinity of Jesus as established by his death and resurrection; the entire Faith is at risk. While strongly supporting the scriptures, *The Battle for Genesis 1 and 2* is a compendium of scientific observation and irrefutable logic. Couched in layman's terms, the volume goes to the very root of the modern assertion of Theistic Evolution and draws the red line that must not be crossed if members of the Church are going to remain on the side of truth.
