Creative Christian Leadership Skills For More Effective Ministry:

Creative Christian Leadership Kevin Treston, 1995 There is an urgent need for creative leaders in our world We cannot leave today's and tomorrow's leadership formation to chance This book is designed to assist Christian leadership development Introduction Shaping the Future Horst Hutter, 2006-01-01 Shaping the Future maps out the ascetic practices of a Nietzschean way of life Hutter argues that Nietzsche's doctrines are attempts and temptations that aim to provoke his free spirited readers into changing themselves by putting philosophy into practice in their lives *Steward of a Living Tradition* John Sullivan, 2025-05-05 This book explores what is entailed in serving as a steward of the living tradition of the Christian faith in the world of education It examines tradition as a resource leadership education as a spiritual endeavor curriculum and Christian learning and the task of connecting tradition to culture John Sullivan engages with historical perspectives and contemporary professional and cultural realities in addressing intellectual and spiritual dimensions of Christian education and the endeavor to make tradition both accessible and meaningful to those for whom it is unfamiliar Themes pervading the book include fostering a critical appreciation for and a creative appropriation of the living tradition of Christianity fluency and flexibility in sharing that tradition vocation and vulnerability and a striving for interconnectedness and integration in teaching and learning at school and university **Help! I'm Being Followed** Clinton A. Valley, 2008 What would happen if Christian leaders decided that good enough is no longer good enough What if they stepped out of the comfort zone stood for right and strived for excellence What if they were fearlessly committed to following God's lead and trusting the future to Him In this book Clinton Valley casts just such a vision for Christian leaders Drawing from years of experience Valley offers insight about the true purpose of leadership and the profile of an effective leader The practical and inspiring principles he shares will help you develop the vision skills and focus you need to lead effectively *Help I'm Being Followed* addresses how to make positive changes deal with conflict handle criticism and plan for relevance and progress

Religion in Education 4 William K. Kay, Leslie J. Francis, Keith Watson, 2003 **Redeeming The Time** Daryl Poe, 2024-10-08 The Church's immutable mission is to intentionally share Christ's kingdom The believer's divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward *Redeeming the Time* God's CLEAR Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life

for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple s relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ s transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward **Subject Guide to Books in Print** ,2001 **Index to Book Reviews in Religion** ,1999
