Podcasting for Trainers and Educators, Digital Short Cut Nandini Shastry, David P. Gillespie, 2003-09-11 This is the eBook version of the printed book PODCASTING FOR

TRAINERS AND Educators A Digital SHORTCUT By Nandini Shastry and David Gillespie In many ways trainers educators professors teachers instructors SMEs or course developers whatever your title may be if you are responsible for any knowledge transfer process you are the people leading the way for corporations and educational institutions to forge into the new century By learning about new technologies and learning and adapting them to our workplaces and our personal lives we change the mindset not to mention the productivity of the lives of those around us At one time it was the IT Department who were considered First Tier Adopters when it came to technology Now educators of all types have stepped into this role as well we must learn it before we can teach it It is our belief that podcasting is the next wave of technology that corporations and educational institutions can immediately use to solve a host of training and business problems This book aims to show you the educator whatever your title may be how You ll learn what podcasting is how to use it what tools you ll need free or inexpensive tools as well how to leverage podcasts in your own place of work and much more in easy to understand non technical terms You ll also find in this book simulation tutorials and demos free resources free templates sample communications for buy in at your place of work video testimonials from existing trainers teachers and professors Dave and I have been involved in the areas of teaching training and knowledge management for many years Dave has taught at the university level and both of us have much experience with instructor led training e learning and a wide variety of tools from Macromedia Breeze and Captivate to Microsoft SharePoint and Live Meeting We are excited about the possibilities that podcasting brings and we invite you to join us in exploring this new technology You can reach Dave or me at [technologyfortrainers yahoo com](mailto:technologyfortrainers@yahoo.com) at any time and we will be happy to talk with you in person You ll find hyperlinks in this e book to all type of resources and examples all over the Net [EBOOK: How to Create Podcasts for Education](#) Gilly Salmon, Palitha Edirisingha, Matthew Mobbs, Richard Mobbs, Chris Dennett, 2008-11-16 Few other technological developments have the same potential for transforming teaching and learning as podcasts This step by step guide can help the fledgling podcaster take the first few steps to using podcasts and can encourage those already dabbling to improve their practices by understanding underlying principles I can only urge you to give it a go Dr Stephen Gomez National Teaching Fellow and Principal Lecturer University of the West of England UK With podcasting now really taking flight this highly practical book is just what teaching practitioners need It is refreshingly accessible in its use of language making it suitable for those of us that don t know our vodcasting from our podcasting Dr Gwen van der Velden Director of Learning and Teaching Enhancement University of Bath UK Podcasting is now at a tipping point and ready to provide universal 24 7 access to learning This book provides the background and an invaluable how to guide It deserves to be in every library and faculty office Dr Bill Ashraf Director of Technology Enhanced Learning University of Sussex UK Given the dominance of text based formats this timely book demonstrates that media diversification is a MUST Dr Thomas H Ismann Program Director of the Master of Distance Education MDE Carl von Ossietzky University Oldenburg Germany Podcasting made easy does that sound like a contradiction

in terms Well now you don't have to struggle with the technicalities because this book really does describe how easy it is to create and utilize podcasting in teaching I thoroughly recommend it TingTing Zeng Learning Technologist Imperial College UK While the book is a mine of information both pedagogical and practical it is the hands on aspect that captured my heart Clearly written by experts the process of creating podcasts is described in an easy to understand practical way that is accessible to novice and experienced podcast author alike If you've been toying with the idea of podcasts this is for you If you've tried the basics and want to go the next step this is for you How to create Podcasts for Education will not merely be on your bookshelf I predict that it will be well thumbed Ruth Brown Academic Developer Learning and Teaching Enhancement Unit London South Bank University UK Further information on the theory and practice of podcasting can also be accessed on the dedicated website at www.podcastingforlearning.com Expert Podcasting Practices For Dummies Tee Morris,Evo Terra,Ryan C. Williams,2008-03-04 If you once dreamed of a broadcasting career or if you're passionate about a cause you want to share with the world podcasting may be just what you're looking for But it's not as simple as picking up a microphone at least not if you want great results So pick up Expert Podcasting Practices For Dummies instead and discover the secrets of producing professional podcasts This plain English guide shows you how to record like a pro build an audience and maybe even generate some revenue from your podcasting passion If you're ready to go live with what you have to say here's how to create podcasts that appeal to a large audience sound top notch and communicate a message Find out what equipment you need how to promote your podcast and how to Choose a topic and decide whether to narrow or expand your focus Sort and filter information about your subject matter Set up a recording studio Record with pro level software and hardware Produce your show with sound effects music and appropriate sound balance Create a video podcast Craft a targeted distribution marketing and promotional plan Promote your business or a nonprofit group Turn your podcasting hobby into a moneymaking venture by selling ads or products on your podcasts or by using them to promote your own skills There's a lot to think about if you're considering creating podcasts that will stand out and get noticed With this guide by your side your star status is much closer Note CD ROM DVD and other supplementary materials are not included as part of eBook file

Embracing the Melody of Term: An Psychological Symphony within **Beginner Ai Podcast Editor For Beginners For Teachers In The Us**

In some sort of eaten by monitors and the ceaseless chatter of instant interaction, the melodic beauty and emotional symphony developed by the published word usually disappear into the back ground, eclipsed by the relentless sound and disruptions that permeate our lives. However, set within the pages of **Beginner Ai Podcast Editor For Beginners For Teachers In The Us** a marvelous fictional value brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this interesting masterpiece conducts visitors on a mental journey, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the poignant assessment, we shall explore the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
