Small Business, Big Success Cynthia Kay, 2024-05-06 This book should be at the top of the list for any entrepreneur looking to learn from the experiences of others to fully understand the exhilarating journey from startup to successful exit. This book contains wisdom from people who have been there and done that. A true treasure for the entrepreneurial community. David Galbenski, serial entrepreneur, past global chair of the Entrepreneurs Organization and cofounder and chair of the Global School of Entrepreneurship. *An Essential Guide for Entrepreneurs at Every Stage of Business* Small Business Big Success offers unconventional but proven strategies to run a better small business. It also provides a road map for owners looking to expand their small businesses by doing more business with big business. Cynthia's down in the trenches stories along with those from other small business CEOs and big business experts show you how to connect with highly sought after customers and win them over. You'll learn how to create an organization that is operationally efficient, creative, and entrepreneurial. Raise capital and find partnerships. Find your company's voice. Attract and win contracts from much larger companies. Serve complex global companies by forging strong relationships. Most important, you'll learn how to find and nurture your customers. Critical decisions and points in the life cycle of a business are discussed as well from start-up issues to growing the business, human resource concerns to strategic planning, not to mention how to attract business from larger companies. The use of real stories along with stories of other small businesses are included to illustrate the strategies and make them come alive.

Future Trends, Breakthroughs and Innovation in HRM B. Beaula, V.A. Ragavendran, This book discusses the following potential trends and innovations that could shape the future of HRM: Data Driven Decision Making The use of data analytics and artificial intelligence in HRM is expected to continue growing. Remote Work and Hybrid Models The COVID 19 pandemic accelerated the adoption of remote work. Skills Development and Lifelong Learning Continuous learning and upskilling are becoming essential due to the rapid pace of technological advancements. Artificial Intelligence AI in Recruitment AI can streamline and improve the recruitment process by automating tasks like resume screening, candidate sourcing, and initial interviews. Gig Economy and Contingent Workforce Management As the gig economy expands, HRM will need to adapt to manage both traditional employees and contingent workers effectively, ensuring fairness and compliance. Diversity, Equity, and Inclusion (DEI) DEI initiatives are gaining prominence as organizations recognize the importance of creating inclusive workplaces. Employee Experience (EX) HRM is shifting towards focusing on enhancing the overall employee experience.
