Simple Newsletter Business Ideas For Dads:

Rich Dad's Retire Young, Retire Rich Robert T. Kiyosaki, Sharon L. Lechter, 2002-01-01 This book is about how we started with nothing and retired financially free in less than ten years Find out how you can do the same If you do not plan on working hard all of your life this book is for you Why not Retire Young and Retire Rich Funding Fathers Nicole Hoplin, Ron Robinson, 2008-09-09 Money changes everything especially in politics Politicians think tanks and political parties would not be where they are without monetary gifts Yet when it comes to celebrating donors the media often praise liberals for their selfless giving and criticize conservatives for their selfish hoarding But Ron Robinson and Nicole Hoplin leaders of Young America's Foundation set the record straight in Funding Fathers The Unsung Heroes of the Conservative Movement Part historical account of the conservative movement and part expos about political philanthropy Funding Fathers busts the myth that conservatives donate less money than democrats and exposes how the media liberal organizations and even conservatives perpetuate this lie In Funding Fathers Robinson and Hoplin reveal How conservative donors have had as much influence on the conservative movement as people like Ronald Reagan and William F Buckley Jr Why anonymous donations can do more harm than good to the conservative movement How donations benefiting conservative ideas are often misappropriated at universities across the U S How conservative politicians and organizations use donations more efficiently than liberals Money matters But it is not the size of the donation that counts it is the impact it makes Funding Fathers shows how the unsung heroes of the conservative movement have not only influenced the past but also how they continue to shape the future **Confessions of Shameless Self Promoters** Debbie Allen, 2002 Do you feel comfortable actively marketing yourself If not you are losing too much ground to your competition These marketing secrets will give you the inside scoop from some of the most successful brains in the world Discover the science and the art of self promotion how to get tons of free publicity without breaking the law and how to effectively promote your business on a shoestring budget Setting the Table Danny Meyer, 2006-10-03 In October 1985 at age twenty seven Danny Meyer with a good idea and scant experience opened what would become one of New York City's most revered restaurants Union Square Cafe Little more than twenty years later Danny is the CEO of one of the world's most dynamic restaurant organizations which includes eleven unique dining establishments each at the top of its game How has he done it How has he consistently beaten the odds and set the competitive bar in one of the toughest trades around In this landmark book Danny shares the lessons he's learned while developing the winning recipe for doing the business he calls enlightened hospitality This innovative philosophy emphasizes putting the power of hospitality to work in a new and counterintuitive way The first and most important application of hospitality is to the people who work for you and then in descending order of priority to the guests the community the suppliers and the investors This way of prioritizing stands the more traditional business models on their heads but Danny considers it the foundation of every success that he and his restaurants have achieved Some of Danny's other insights

Hospitality is present when something happens for you It is absent when something happens to you These two simple concepts for and to express it all Context context context trumps the outdated location location location Shared ownership develops when guests talk about a restaurant as if it s theirs That sense of affiliation builds trust and invariably leads to repeat business Err on the side of generosity You get more by first giving more Wherever your center lies know it name it believe in it When you cede your core values to someone else it s time to quit Full of behind the scenes history on the creation of Danny s most famous restaurants and the anecdotes advice and lessons he has accumulated on his long and ecstatic journey to the top of the American restaurant scene Setting the Table is a treasure trove of innovative insights that are applicable to any business or organization **Entrepreneur** ,1995-07 Oxbridge Directory of Newsletters ,2001
